

Jacy's Wagons

Nov 2024

Turning a Test into a Testimony One Wagon at a Time

Note from Jacy:

November has been an incredible month for Jacy's Wagons. On the 22nd, we traveled to St. Jude and had the wonderful opportunity to meet several wagon families and hear their heartfelt stories. It was inspiring to speak with the employees who shared how much our mission has impacted the lives of the patients. Their gratitude and the positive changes we've helped bring about reaffirmed our commitment to continue supporting these brave children and their families. We can't wait to see what the month of December holds and hope everyone has a Happy Thanksgiving!

Happy
Thanksgiving!

Hannah

This is Hannah, she is a patient at St. Jude and this is some of her story. Please help us lift Hannah, Antonio, and their family up!

When I heard about yall and these wagons, I smiled and said really? I was so amazed at the fact yall even thought about this to be able to give back to St. Jude is such a blessing. Anything that helps a family have an easier day just to give back is truly amazing. I have 2 kids under 2 and it's so hard to have to be so strong and still be a full time mommy going through this. St. Jude has sadly been my home since I was 12 years old. Growing up all I knew was the hospital. But this hospital, has a way of treating you like family. You walk in those doors and you immediately feel so loved. This hasn't been a hospital experience I thought it would be. They truly do make every kid in every family feel so welcomed and loved.

Hannah, we love you and are praying for you and your family! With love, Jacy and the Jacy's Wagons Family
