

Jacy's Wagons

Sept 2024

Turning a Test into a Testimony One Wagon at a Time

Note from Jacy:

August has been a great month for Jacy's Wagons! We are so proud of the outreach that we have accomplished this month. I had several speaking engagements this month with local churches and civic groups. On the 10th we had Gospel in the Park in Michie, TN organized by Four Seven Ministries where we raised enough for 1 wagon. The next day, we drove to Jackson, TN where I spoke to the amazing congregation at East Trinity Methodist Church where we received a donation of \$5,000 and a great new relationship with the congregation! Finally, we went to Lexington Lions Club of Lexington, TN where we received a donation for us to be able to ship two more wagons! We have been very blessed this month and are ready to send more wagons to the amazing warriors at St. Jude!

Special Thank you to

Wesley Duhn

We have twin two year old boys. Their names are Wesley and Beau. When Wesley was born we found out he was born with severe combined ImmunoDeficiency. We moved our lives from Iowa to Tennessee for 10 months to receive chemo along with gene therapy. Wesley is now thriving and doing well and we thank God for that blessing! When we go to St. Jude, we have many appointments in the few days we are there starting early in the morning to late in the evening. The red wagons are not very comfortable and it's hard to get a kiddo to nap on them. Wesley is more comfortable in his new wagon and there is more room for toys, blankies, and even his twin to ride along with him.

Wesley and his twin are loving the wagon.
