

# Jacy's Wagons

Aug 2024

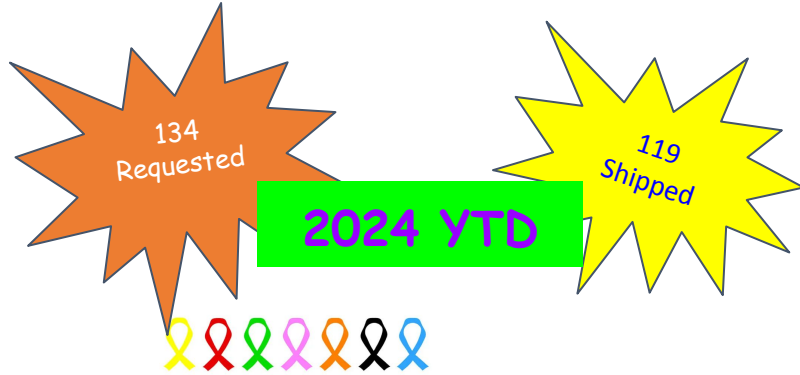

Turning a Test into a Testimony One Wagon at a Time

### Note from Jacy:

August has been a great month for Jacy's Wagons! We are so proud of the outreach that we have accomplished this month. I had several speaking engagements this month with local churches and civic groups. On the 10th we had Gospel in the Park in Michie, TN organized by Four Seven Ministries where we raised enough for 1 wagon. The next day, we drove to Jackson, TN where I spoke to the amazing congregation at East Trinity Methodist Church where we received a donation of \$5,000 and a great new relationship with the congregation! Finally, we went to Lexington Lions Club of Lexington, TN where we received a donation for us to be able to ship two more wagons! We have been very blessed this month and are ready to send more wagons to the amazing warriors at St. Jude!

# Carter Johnson

"Our Superhero!"

Carter is 4 and battling Metastatic High Risk Neuroblastoma. He was diagnosed January 2024 and is expected to be at St Jude until Fall 2025. He is from North Louisiana. He loves Bluey, Spiderman, Power Rangers (the red one specifically) and anything superheroes. His favorite colors are red and orange. His favorite food is Spaghetti (or as he calls it Basketti). His best friend is his Papaw who he absolutely adores. He's a happy, silly boy and is so tough and strong with everything he has to go through on a day to day basis. He's our real life superhero! Carter received his wagon and thought it was the coolest thing! Thank you so much for his new wagon that will make our days at St Jude easier to manage.

Please enjoy some pics of Carter in his new wagon and just being his silly self!  
Love from Carter's momma, Carter, and family
