Jacy's Wagons

Turning a Test into a Testimony one wagon at a time

Note from Jacy:

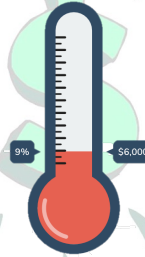

Hey everyone! January has started out with a bang. Our goal this year is to bless 150 families with wagons and beat our record last year of 100. I am so excited to see where God is taking this mission. I am meeting so many new people and spreading the word of just how special St. Jude is to my life and our wagon babies. If you would like for me to visit with you and present our mission, please give us a call. I am so proud of this mission and can not tell you the impact it has made in my life and my family.

-----Love, Jacy

Emmy the Rock Star

Emmy is the star hero for our first newsletter. She received her Jacy's Wagon in December. Emmy has two sisters and one brother cheering her on, along with her mom and dad. Emmy just finished transplant #1 and her Dad said she Rocked It! Emmy LOVES balloons, baby dolls, Peppa Pig and karaoke.

This little girl and her family are the example of what it means to Move Mountains. She is a rock star and so is her support system. Let's keep praying for Emmy and all these babies as they fight the fight of their lives. Keep Rockin' it Emmy!!!!
