Dec 2024

Turning a Test into a Testimony One Wagon at a Time

Note from Jacy:

As we approach the end of another wonderful year, we want to take a moment to wish each and every one of you a very Merry Christmas and a Happy New Year! This festive season is a time for joy, reflection, and gratitude, we are truly thankful for your continued support and enthusiasm.

Mark your calendars for January 18th, as we will celebrate our official ribbon cutting with the McNairy Chamber of Commerce. This event marks a significant milestone for Jacy's Wagons, and we are eager to embark on this new chapter with all of you by our side.

Thank you for being a part of our journey. We look forward to seeing you at the ribbon cutting and to another year filled with growth, community, and of course, amazing wagons!

Love,
Jacy

Wiley is a wonderful 1 year old baby girl! In May, two weeks after her first birthday, Wiley was diagnosed with an aggressive and rare brain cancer called pineoblastoma. Wiley has had 5 brain surgeries, completed radiation, and now is completing chemotherapy. She is the light of her mom and dad's life. She always has a smile on her face and is ready for a dance party. She loves her animals- two dogs and a cat, and loves music. Wiley's has such a kind and sweet heart, she loves to cuddle and is the sweetest child you could ever meet.

The wagon has really been a game changer! my parents are the ones that help me during the day while my husband is at work and between all the medical equipment and diaper bag our hands were definitely full since Wiley can't walk. Thank you for the kind gift, it truly has improved our quality of life! Wiley loves her wagon and we are so thankful for it! It makes clinic days easier and we love to go for walks outside when our counts are too low to go anywhere else 💖

Love, Wiley's family
