

Press Release 23/08/2024

Today, we have written to various dignitaries across India's prominent ruling and opposition parties, advocating for the importance of blockchain in every field and urging for pro-crypto policies to enhance investments in venture capital, research, and foundations:

- **Shri Jagat Prakash Nadda ji**, National President of BJP, urging the reduction of TDS and taxes while implementing ETF in India to foster blockchain innovation.

- **Shri Rahul Gandhi ji**, Leader of the Opposition Indian National Congress, requesting support for pro-crypto policies that encourage investment in blockchain research and development.

- **Kum.Mayawati ji**, National President of BSP, emphasizing the need for tax reforms to promote blockchain technology and strengthen India's position in global crypto markets.

- **Kum.Mamata Banerjee**, Chief Minister of West Bengal and leader of TMC, advocating for the implementation of ETFs and reduced taxation to boost blockchain-driven initiatives.

- **Shri.Arvind Kejriwal Ji**, Chief Minister of Delhi and leader of AAP, calling for tax relief and the integration of blockchain to empower startups and foster economic growth.

- **Shri.Sitaram Yechury Ji**, General Secretary of CPI(M), highlighting the potential of blockchain and the importance of supportive tax policies to accelerate India's digital transformation.

- **Smt.Supriya Sule**, Member of Parliament and leader of NCP, advocating for pro-crypto legislation and the introduction of ETFs to attract investment in blockchain technology.
