WARD WRESTLING

@WARDWRESTLING

### WELCOME

As my passion for wrestling photography intensified, I became deeply involved in the sport. Attending local matches, I forged connections with wrestlers and their families, empathizing with the emotional journey of athletes striving for victory. Realizing the importance of preserving these memories, I made it my mission to document the thrilling moments of triumph and defeat on the wrestling mat.

### ABOUT OUR SERVICES

#### **TEAM MEDIA DAY**

Elevating the athlete's essence beyond the arena, our portrait sessions are a personalized journey, capturing the spirit and individuality of each sportsman. With a generous allowance of 4-5 poses, we go beyond the conventional, incorporating props, medals, and rings to infuse each photograph with a story of achievement and pride.

#### PORTRAIT PHOTOGRAPHY

Portrait photography is a genre of photography focused on capturing the essence, personality, and character of an individual or a group of people. It goes beyond simply taking a picture; it aims to reveal the subject's unique qualities, emotions, and inner beauty.

#### **SENIOR PHOTOSHOOT**

Capturing senior photos is a fun and memorable experience that allows graduating seniors to express their individuality, commemorate their achievements, and celebrate their upcoming transition to the next phase of their lives.
