River Islands Youth Football and Cheer is a non-profit organization aimed at giving the youth in our area a chance to participate in an all-play football and cheerleading program. Our focus is on helping our youth build character, sportmanship, self-confidence and learn responsibility and teamwork in a competitive environment while gaining a strong sense of community. We would also like our sponsors to consider sponsoring scholarship programs for less fortunate kids who want to participate. Please think about sponsoring our organization. Thank you.
