Winter Management – Bee Culture Magazine Article October 2016

<http://www.beeculture.com/winter-management/>

Brushy Mt. Bee Farm - How to get started.

<https://www.youtube.com/watch?v=FC9Y2rjorIA>

WV Dept of Agriculture <https://www.youtube.com/watch?v=S-nLvEjyApA>

this has a very thorough description of things you will see and need to know.

Randy Oliver -Tips on working bees

https://www.youtube.com/watch?v=OcfqTx4_FAo

[UoG Honey Bee Research Centre](#) Colony Inspection

this college has a lot of great videos.

But this is in Canada so don't necessarily follow some of the management techniques they use for honey management.
