

ROWDY

We are proud to make free-range, natural leather bags, showcasing sustainable craft and empowering our artisans. ROWDY has a dedicated team of leather artisans handmaking a range of 13 unique travel, business and small carry-items available in 4 different shades. The collection is made using premium full-grain grade aniline and nubuck leather cowhide sourced exclusively from Southern Africa where the leather is ethically sourced and free-range. The cornerstone of ROWDY is to make a focused range of practically designed and quality leather bags that encourage thoughtful consumption while empowering our talented machinists who hand-make each and every piece. ROWDY has an Australian home on in Sydney. We are very excited to bring this bags to Australia.
