With Proloquo2Go Icons

Recommended use for this activity

This activity is loaded with icons from Proloquo2Go but can also be used by verbal communicators and emerging readers.

You can easily expand off of each page by asking additional questions, commenting on their responses, and providing your own answers about your own summer.

Remember, modeling is key, so try to practice saying the phrases on your AAC device/light tech prior to your session.

Let's chat about your summer!

let's

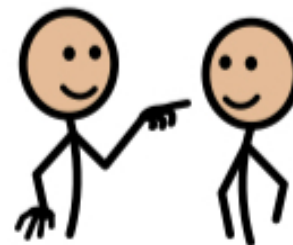

chat

about

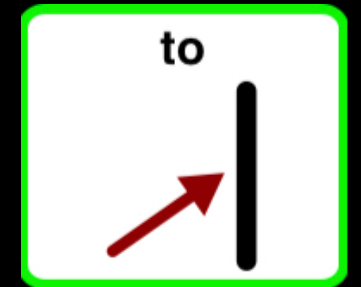

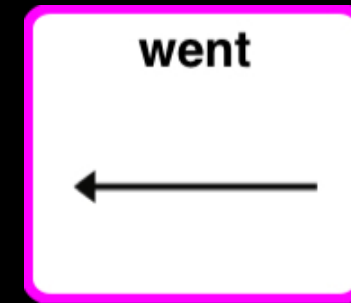

your

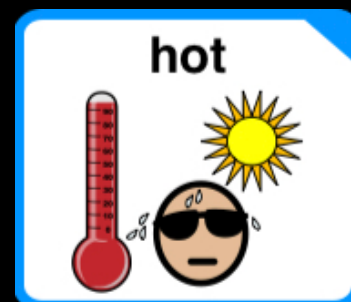

summer

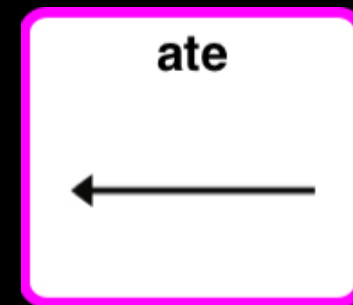

Say 3 places you went to

Was it hot or cold there?

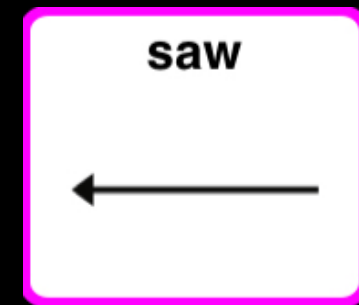

Say 3 foods you ate

Was it spicy, salty, or sweet?

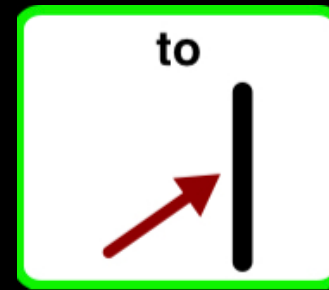

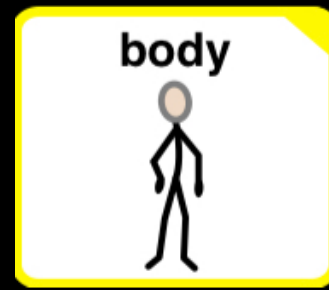

Say 3 animals you saw

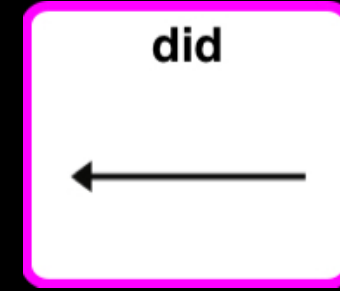

Was one a dog or a cat?

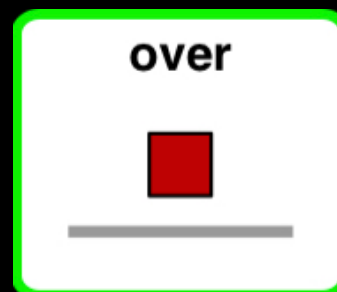

Use your body to show us

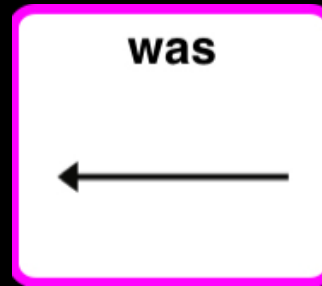

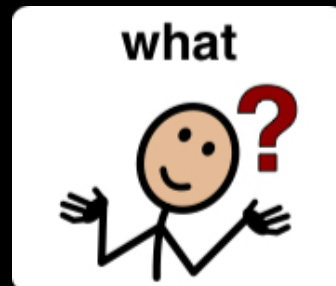

one activity you did

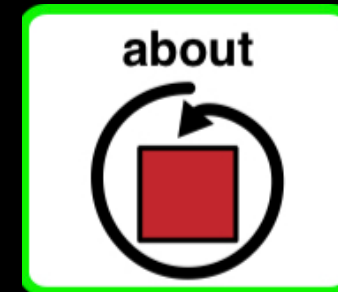

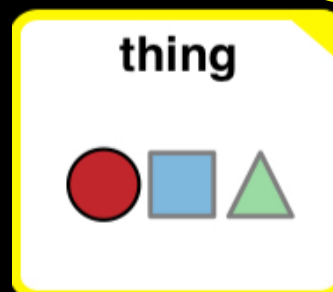

over summer

What was your

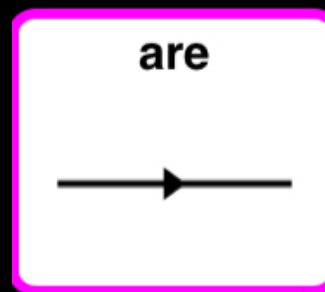

favorite thing about

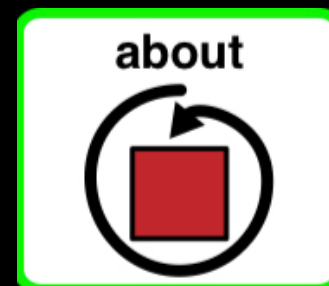

summer break?

What are you

excited about for

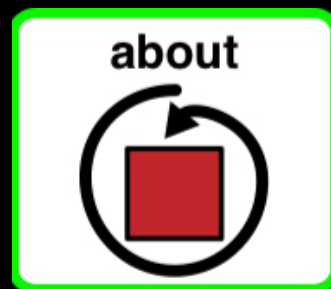

School this year?

Thank you for sharing
