# About The Tournament

## **TENNIS (Reference Page 6)**

The various brackets on each draw sheet that are marked by points on a compass (East, West, North, South, Northeast, Northwest, Southeast, Southwest). When a team loses they are moved to a different bracket, winners always just advance in their current bracket. All of our brackets have the games numbered in the order they are to be played and also list the exact location on the bracket where the losing team should move in the bracket.

### **Round 1**

The first round of the tournament has team names listed down the middle column. The winners of the first round move to the right or the East Bracket, the losers move to the left or the West Bracket.

### **Round 2**

The losers in the second round from the East Bracket move up to the North Bracket and the losers of the West Bracket drop down to the South Bracket. The winners just move over in the current bracket.

### **Round 3**

At the end of round 3, the losers of the West drop down to the Southwest Bracket and the losers from the East will move up to the Southeast Bracket.

The losers of the South Bracket will move over to the Southeast and the losers of the North Bracket will move over to the Northwest Bracket.

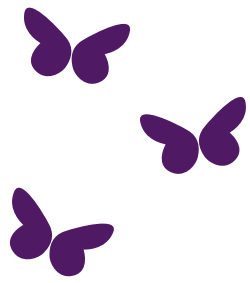

### **Round 4**

At the end of round 4 of a 16 person bracket, the winner of each game is the winner of that particular bracket.

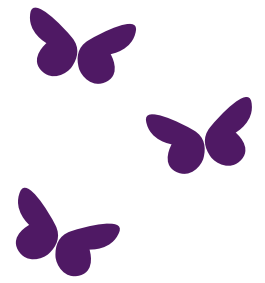

All teams are guaranteed 4 matches round robin style!

## **PICKLEBALL**

The Pickleball Tournament will be conducted using round robin format. Participating teams will be divided up into level-based brackets. This is a non-elimination style tournament. This means that every team or player will have an equal number of matches, providing a fair and balanced opportunity for all to compete.

## Silent Auction Baskets & Raffle Items

# Additional Info

## **Parking**

Diablo is under construction right now, so parking can be challenging. There are about 20 spots near the tennis and pickleball courts. After you pass the clubhouse, turn left and follow the purple balloons and sign to tennis parking. There are also parking spots past the clubhouse if the tennis lot is full, and there will be Diablo staff available to drive you to the courts.

## **Drink Tickets**

Non-members will need to purchase drink tickets. Members can charge drinks to their member numbers. Drink tickets are available for \$10 each and will be sold at the event. They can also be purchased in advance by following this link:

<https://forms.gle/euuuHdERpPgXrgXv8>

## **Cashless Event**

We will accept credit cards, no cash is necessary at the event.
