STUDIO VIVRE

BEDROOM • HOME • OFFICE

Your Bedroom, Your Sanctuary

MANUFACTURING

40YRS

With over 40 years of experience crafting bedroom doors, we know that quality isn't just important, it's essential.

Designed for Living. Built with Savoir-Faire.

More than just a room, your bedroom is where each day begins and ends, a space that sets your rhythm, reflects your style, and wraps you in comfort. At Studio Vivre, we believe your bedroom should be as personal as you are.

Explore our thoughtfully designed furniture collections to create a space that feels truly yours - whatever your lifestyle, whatever your vision.

STUDIO VIVRE is a Trade Mouldings Brand.

MULTI PANEL

Multi-panelled bedroom doors are on trend with 4 options to choose from...

Harrington

A shaker with a classic chamfer producing depth as a focal point.

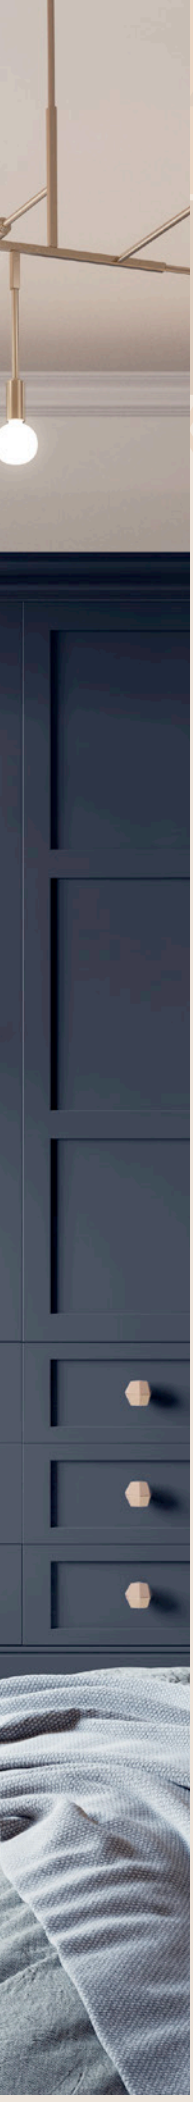

Baltimore

The classic shaker with 60mm stiles and mid-rails for that timeless appeal.

Kensington

With an elegant raised centre panel, Kensington features 63mm stiles for that traditional look.

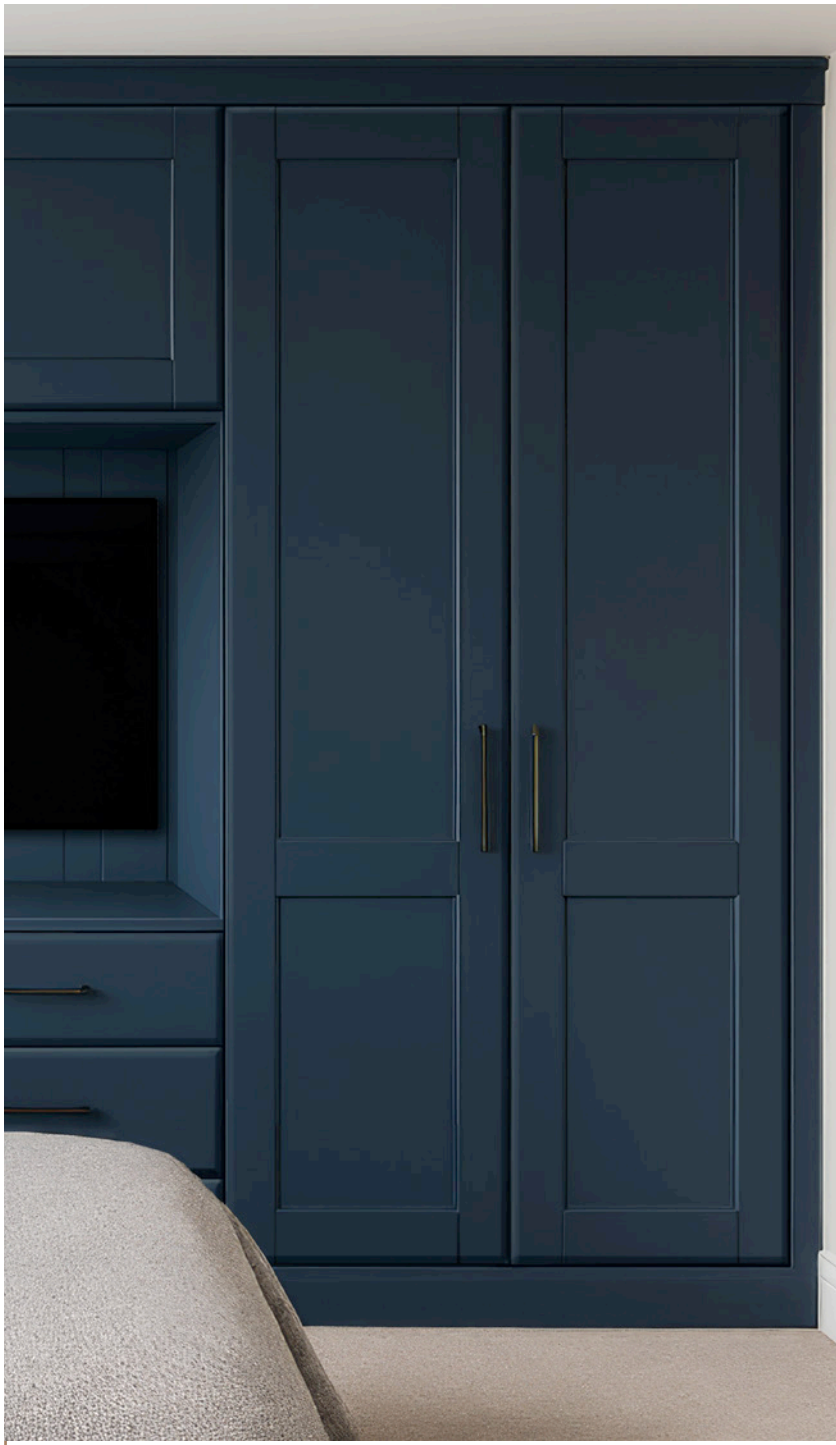

Oslo

The horizontal line detail on this door creates sleek, modern and contemporary minimalist styling.

SHAKER

Focusing on functionality, with an array of stile sizes and a recessed centre panel, our collection of shaker style doors provide clean lines for a minimal appearance, perfectly versatile and can be tailored towards traditional or contemporary aesthetics.

Auckland

A refined shaker design with 100mm stiles and ‘V’ grooves featuring a saponetta edge detail.

Belmont

Featuring 65mm stiles and a clean, midrail-free design, perfect for a modern twist on the classic shaker door.

Berkeley

A modern shaker style featuring 65mm stiles and a smooth, flat panel with no ‘V’ grooves.

Boston

An all-round popular design for bedrooms featuring a wide shaker design with 110mm stiles.

Brentwood

A 90mm stiled door featuring a timeless and versatile design, widely favoured for bedroom interiors.

Burlington

A slim 50mm shaker style door with a modern look, making it a popular choice.

Gresham

A classic shaker with 100mm stiles and ‘V’ grooves, offering a timeless look that suits both traditional and contemporary interiors.

Lunar

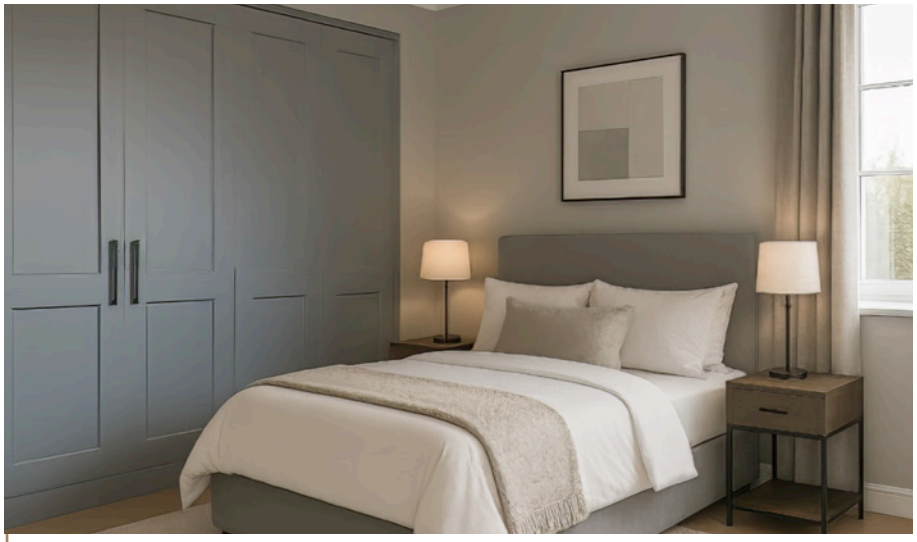

A contemporary slim shaker design featuring ‘V’ grooves and 65mm stiles for a clean, modern aesthetic.

Milan

This classic shaker with 100mm stiles and no ‘V’ grooves, offering a timeless look that suits both traditional and contemporary interiors.

Salisbury

Featuring wide 100mm stiles and a subtle chamfer, this shaker design is a firm favourite for bedroom spaces.

IN-FRAME

Get the In-Frame look and create a more elegant appearance. This design adds depth and sophistication to the door giving it a classic and stylish look.

Heywood

With a 32mm border and bold 100mm stiles, this design combines proportion and style.

Mayfair

With a 32mm border, 105mm stiles, and subtle vertical grooves, this door combines classic proportions with refined detailing.

RAISED PANEL

WIth attention to detail between stile and the raised centre panel, these doors give a timeless sophistication. Traditional elegance is acheived through subtle edge variations with a crisp finish.

Ascot

A timeless style showcasing a raised centre panel with a gracefully curved top and 65mm stiles.

Avondale

A tongue and groove effect to the raised centre panel adds subtle detail with 65mm stiles.

Bowland

A shaker style door with 100mm stiles and a subtly raised centre panel.

Bury

With its saponetta edge profile, 70mm stiles and raised centre panel, this design exudes timeless elegance.

Cashel

A raised centre panel and 90mm stiles adds depth and visual interest to the door design.

Countryvale

A finely detailed stepped routered panel, with accents on both the outer edge and centre, with 63mm stiles it adds depth and sophistication to any room.

Gisburn

Featuring a saponetta edge, with a routered line that gives the appearance of a 75mm stile.

Euroline

A door with a saponetta edge, featuring a line detail that creates the visual effect of a 55mm stile.

Kent

With a cathedral style top and 80mm stiles, combining classic form with elegant detailing for a more decorative, traditional look.

Oxford

A deep recessed centre panel with crisp square detailing and 72mm stiles, offering a bold yet refined look.

Richmond

A deep recessed tongue and groove centre panel and elegant curve to the top featuring 66mm stiles.

Sherwood

Featuring 59mm stiles, raised centre panels and paired with a graceful arched top, this blends classic charm with subtle elegance.

Westport

With chamfered corners, raised centre panel and 90mm stiles it blends seamlessly with both ornate and understated aesthetics.

MODERN

Modern bedrooms are all about clean lines, minimal clutter, and a calming, sophisticated atmosphere.

Cleveland

A versatile door ideal for bedrooms, kitchens, bathrooms, home offices and media centres. The Cleveland is available in both horizontal and vertical orientations.

Aries

A slab door with a chamfered edge featuring a sculpted handle.

Aura

A sleek slab style door with a 2mm edge profile.

Dover

This door features a subtle curve to both the top and bottom of the door and a slight round to the edges.

Hampshire

This slab door features an inset handle to the centre, creating a sleek finish to any bedroom.

Hapton

With a saponetta edge detail the soft rounded edges of Hapton create a clean and comfortable feel.

Hebden

A sleek slab style door with softly curved top and bottom edges for a refined finish.

Orion

Featuring routered integrated handles this door eliminates the need for external hardware offering a clean minimalist finish.

Lumi

Featuring a subtle 3mm bevel, this slab style door is a stylish favourite for contemporary and modern spaces.

Odyssey

This acrylic faced slab door with a laser edge brings a premium, cutting edge look to your bedroom design.

‘unique paint application’

Fenton features a unique paint application that provides exceptional resistance to fingerprints and a highly durable surface, making it ideal for modern bedrooms.
Available in seven stylish solid colours, it also offers woodgrain options in Kala Ash melamine and a real wood Oak Veneer for those seeking an even more contemporary look.

Fenton’s front face has unique paint application which is then coated and activated by uv light giving it a highly durable surface. The doors are laser edged with a painted finish to match the front.
