

Weekend Appointments for Urgent Medical Issues

Our Family Health Organization works together so you can be seen if you have an urgent medical issue on weekends. A doctor is available from 10 AM – 1 PM on either the Saturday or Sunday of that weekend to see urgent issues such as infections or acute pain. Chronic issues must be followed by your regular doctor.

Appointments can be made by calling the office listed below on the same day you want to be seen starting at 10 AM. If you have an urgent medical issue outside of our availability, please go to the Vaughan Urgent Care Centre at Jane and Rutherford open between 10 AM – 4 PM or the ER if severe.

The Doctors addresses are as follows:

Dr. Moussadji – 191 McNaughton Road East, Suite 202, Vaughan, Ontario

Drs. Basta/Dhawan/Portnoi/Thadani – 9301 Bathurst Street, Unit 8, Richmond Hill, Ontario

Drs. Ahangari/Marinosyan/Rahmdel – 9080 Yonge Street, Richmond Hill, Ontario
