2. STYLE & INSPIRATION

3. THEME / GENERAL MOOD

Asking about the desired theme or mood helps ensure the artwork fits the client's vision and enhances the room's atmosphere. Whether it's calming, vibrant, or elegant, understanding the mood allows us to choose the right colors, style, and composition to create a cohesive, personalized space that resonates emotion.

4. COLOR PALETTE

The color palette is crucial for ensuring the artwork complements your space and sets the right mood. It helps the piece blend seamlessly with your existing decor, creating a harmonious and impactful visual experience

5. DISPLAY

Displaying the artwork helps us understand your preferences and the space it will inhabit. This ensures the size, color, and style align with your vision and the room's design, creating a cohesive and impactful visual experience.

6. BUDGET

It's important to align the artwork selection with your specific needs and vision, ensuring the best fit for both your aesthetic and space. By understanding your preferences, we can offer pieces that truly resonate with you, whether it's a smaller original work, a custom commission, or a larger, more intricate piece. We aim to provide options that not only meet your artistic desires but also offer value, ensuring you feel confident and satisfied with the final choice. Our goal is to make sure that every piece complements your space and reflects your unique taste.
