YOU JUST GRABBED A PIECE OF JANE CIPP ART YAY!

This isn't just a download; it's a connection. Each artwork I create is a little love letter to creativity and empowerment. This guide helps you understand how to enjoy your piece the right way, while supporting ethical art sharing.

WHAT YOU CAN DO (PERSONAL USE ONLY)

I want you to truly enjoy your artwork, that's why personal use is totally cool and encouraged. You're allowed to print it, show it off, and bring joy into your space, digitally or physically, as long as you're not making money from it.

✓ **Here's what's allowed**

- Print it for your wall or gallery wall

- Meditate, manifest, vibe with it 🌟

Quick steps

WHAT YOU CANNOT DO (WITHOUT PERMISSION)

While I want my art to be seen and loved, I also have to protect it. It takes time, skill, and heart to create, and that deserves respect. Using the artwork outside of these rules can hurt small artists like me, even unintentionally.

Please don't

- Sell or resell the artwork
- Use it for business, logos, branding, or ads
- Print it on merch (t-shirts, mugs, etc.)
- Turn it into NFTs or AI-generated content
- Remove or cover the signature

Quick steps

-  No sharing or Redistribution
-  No selling or using for business
-  No editing or cropping out my name
-  No uploading into tech tools (AI/NFTs)

 **Ask first if you're unsure, I'm nice!**

SHARING ON SOCIAL MEDIA? YES, PLEASE!
