ABOUT US

BORN IN MANCHESTER
MADE IN MANCHESTER
RAVED IN MANCHESTER

We are a family-run business born in the heart of Manchester, passionate about bringing this exciting family festival to the communities that make our city so special.

Made in Manchester celebrates live music, incredible food, and unforgettable shared experiences. As a local business ourselves, we are proud to champion independent traders, support emerging talent, and showcase the creativity that makes this region so special.

This is about more than entertainment – it's about bringing people together, supporting local businesses, and creating a joyful space where the community can connect, celebrate, and make lasting memories.

STOCKPORT: WATERSIDE FARM

28TH - 31ST AUGUST 2026

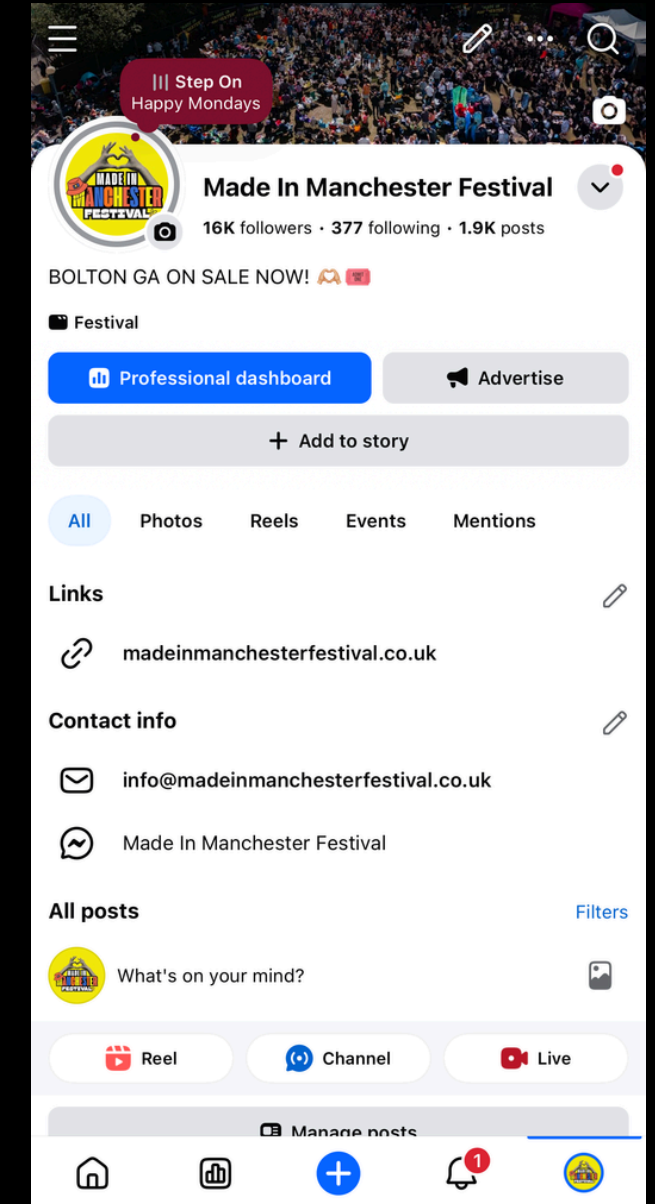

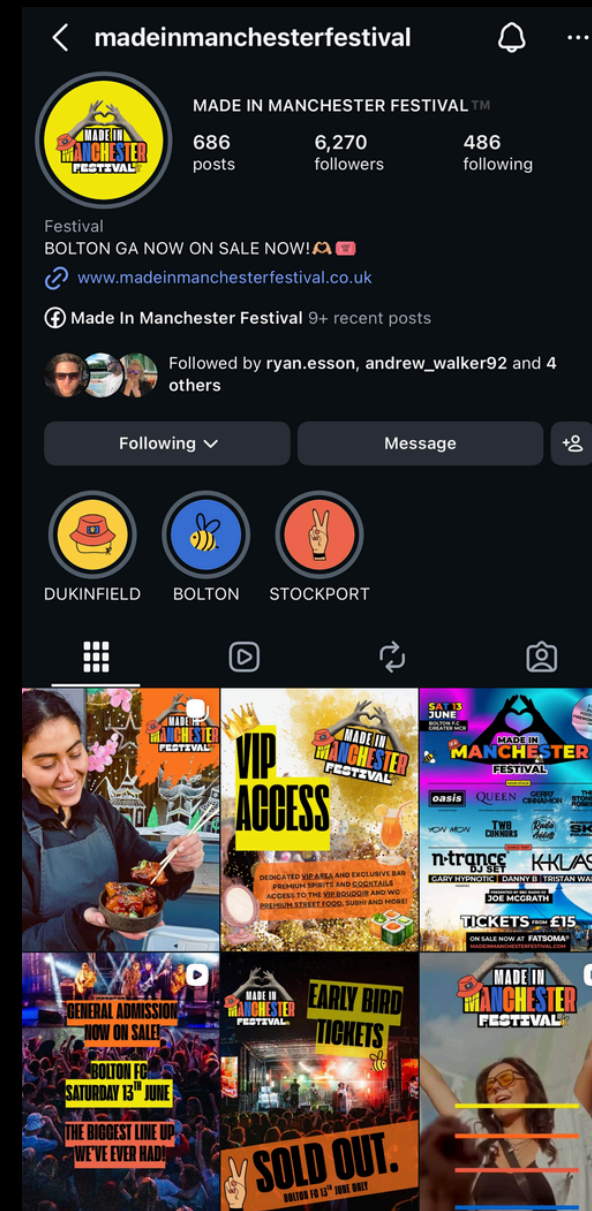

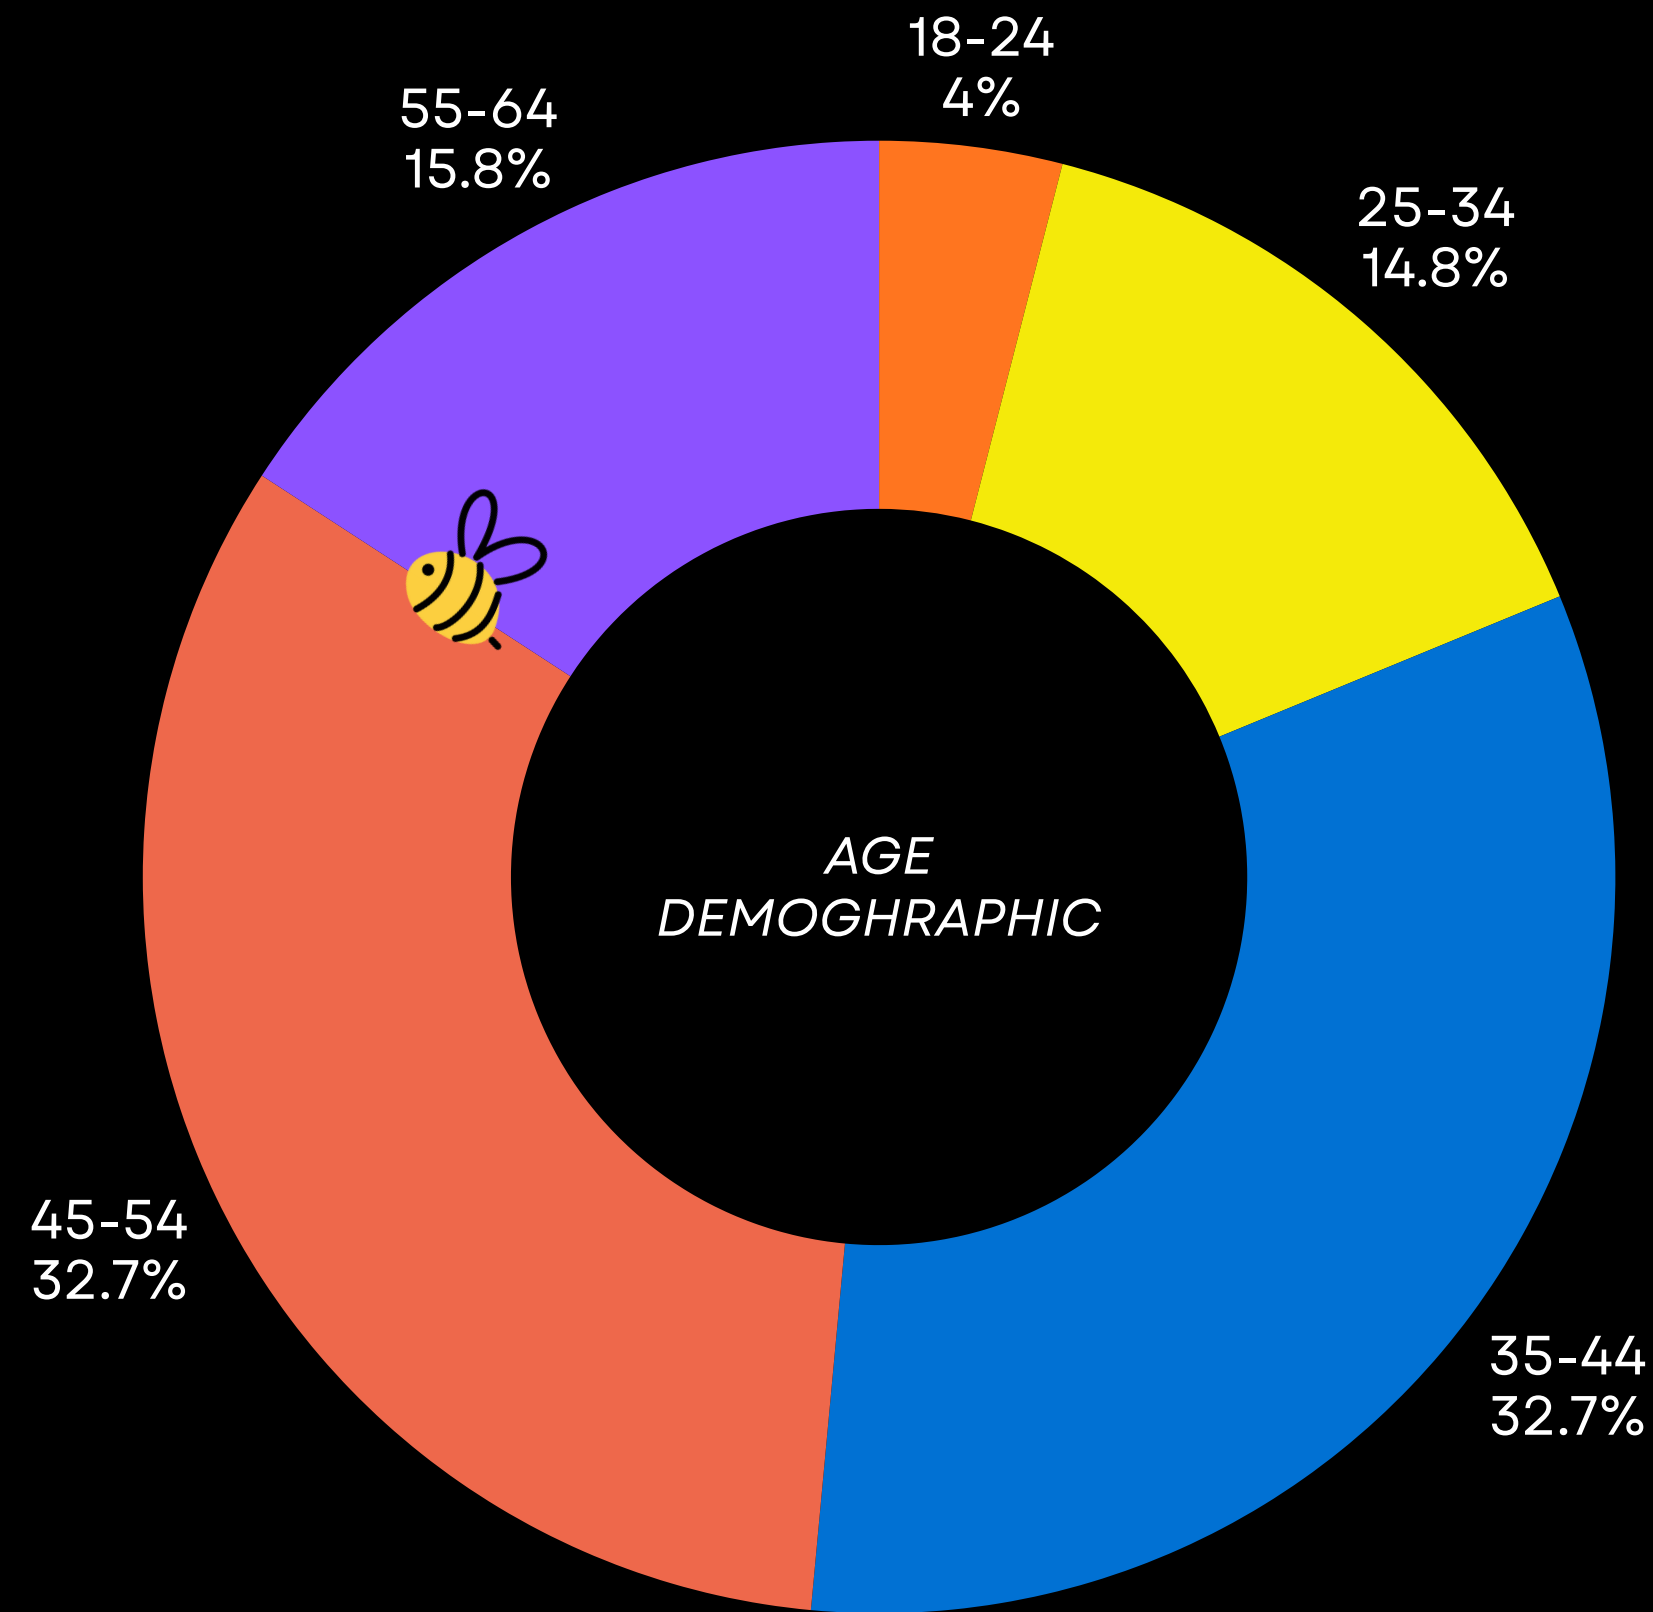

GREATER MANCHESTER'S BEST FAMILY MUSIC FESTIVAL!

Since our first festival in 2018, Made In Manchester has become a well loved name on the Greater Manchester festival scene.

We bring a huge celebration of music from the UK's best tributes of iconic bands to some of the best original homegrown talent Greater Manchester has to offer, plus a few special guests along the way.

We're avid supporters of up and coming talent and that's why you'll always see our slots filled with unsigned bands and artists. We have had the pleasure of welcoming the likes of Cobain Jones, Alex Spencer, Stanleys and Narrow Margin to the Made In Manchester stage. This is just the beginning.
