

TURMERIC

Turmeric is one of the most valued spices, celebrated worldwide for its vibrant color, earthy flavor, and powerful health benefits. At [Your Company Name], we bring you two of the finest varieties of turmeric — each with its own unique richness.

Salem Turmeric

Bright yellow, rich in curcumin, Salem turmeric is widely known for its color, flavor, and versatile use in food, health, and cosmetics. Sourced from Meghalaya's hills,

Lakadong turmeric

boasts exceptionally high curcumin, with a deep orange color and strong aroma, making it a premium health and culinary choice.

Available in : Whole & Powder.

CUMIN

Handpicked from India's best cumin-growing regions, our cumin carries a distinct aroma, rich flavor, and natural purity that bring authenticity to every dish. From traditional Indian recipes to international cuisines, our cumin delivers true farm-to-home goodness.

Desi Cumin

Traditional Indian cumin with a strong aroma and authentic flavor, widely used in everyday cooking.

Dolphin Cumin

Premium quality with uniform seeds and rich taste, ideal for export markets.

Semi Europe

Cumin with balanced flavor and aroma, offering good quality at competitive value.

Europe Cumin

High-grade cumin with larger seeds and refined flavor, well-suited for global cuisines.

Heritage Cumin

Known for its consistency, purity, and robust flavor, making it a trusted choice in spices.

JP Gold Cumin

A premium selection with superior color, aroma, and oil content, perfect for high-end culinary and export needs.

Available in : Whole & Powder

SAFFRON

We ethically source our saffron from the lush farms of Kashmir, where each strand is handpicked with care to preserve its natural aroma, color, and purity. To celebrate this journey from farm to you, every saffron pack comes with a handcrafted card made from saffron petals, carrying a special message written in saffron ink — a symbol of authenticity and tradition.

Available in : Threads & Powder.

CORIANDER

Sourced directly from India's finest farms, our coriander brings natural freshness, rich aroma, and authentic flavor straight to your kitchen. A staple in global cuisines, it enhances curries, pickles, spice blends, and seasonings. Our varieties include :

Whole Coriander Seeds : Fresh, aromatic, and versatile.

Eagle Coriander : Premium quality with uniform size and high essential oil content.

Single Parrot / Double Parrot Coriander : Known for intense aroma and bold flavor, perfect for spice blends and exports.

Available in : Whole & Powder

CARDAMOM

Sourced from the lush plantations of South India, our cardamom is known as the "Queen of Spices" for its sweet aroma, rich flavor, and refreshing taste. Widely used in food, beverages, and confectionery.

Our range includes : Green Cardamom Pods – Fresh, plump, and aromatic. Cardamom Seeds – Intense flavor for spice blends and extracts. Cardamom Powder – Fine, aromatic, and ready-to-use.

Available in : Whole & Powder

HONEY

Harvested from natural beehives across trusted Indian farms, our honey is 100% pure and unprocessed, retaining its natural enzymes, aroma, and health benefits. It is rich in antioxidants and a natural immunity booster.

Multiflora Honey : A balanced blend of nectar from various flowers.

Wild Forest Honey : Raw and robust, collected from untouched forest regions.

Acacia & Other Floral Varieties : Mild, light, and premium, ideal for health-conscious consumers.

JAGGERY

Made from the finest sugarcane and palm sap, our jaggery is a natural sweetener packed with iron, minerals, and antioxidants. It is an authentic alternative to refined sugar, celebrated for both taste and health. Our range includes :

Jaggery Powder : Easy to use in beverages and desserts.

Jaggery Cubes : Traditional blocks, rich in flavor and nutrition. Jaggery Blocks – Pure, unrefined, and long-lasting.

Available in : Powder, Cubes & Blocks.

RICE

Cultivated in the fertile fields of India, our rice is known for its purity, long grains, natural aroma, and rich taste. From traditional kitchens to international dining, our rice ensures quality in every meal. Our range includes :

Basmati Rice : Long-grained, aromatic, and fluffy; the king of rices, perfect for biryanis and festive cuisines.

Non-Basmati Rice : Rich in flavor and texture, suitable for everyday cooking.

Broken Rice : Nutritious and affordable, widely used in households and food industries.

Available in : Raw, Steamed & Parboiled.

MILLETS

Sourced from nutrient-rich Indian farms, our millets are a powerhouse of health, offering natural goodness in every grain. Known as "the grains of the future," millets are gluten-free, rich in fiber, protein, and essential minerals, making them ideal for modern healthy lifestyles.

Our millet range includes :

Finger Millet (Ragi) :

Packed with calcium and iron, supports strong bones and overall wellness.

Foxtail Millet :

Rich in dietary fiber, helps in weight management and digestion.

Available in: Whole & Flour.
