VOLUME VI - April 15, 2023

GFWC Blue Umbrella Club Inc.
General Federation of Women's Clubs

From Dianne's Desk:

Hi, you fantastic Blue Umbrella members and supporters!

What a wonderful month we have had as spring has arrived and you all have been reaching out in so many ways. It is impressive that as soon as you hear of a need or a project where we can offer help, Blue Umbrella members from all over immediately respond! That is what you did for the hurricane victims in Belize and the tornado victims in Mississippi. Some of you do this individually and some of you get fellow club members involved. Either way demonstrates your commitment to showing Love, Respect, and Kindness...always and everywhere.

There has been an excellent response to the Blue Umbrella t-shirts, and I am eager to see many different colors and styles at the upcoming GFWC Florida Convention and then again at GFWC Convention in June. I will be receiving my bracelets and earrings later this week from our Merchandise Manager. I am excited! Look further in the newsletter or on the website to find information on how to order. Also, further on in the newsletter is an update about a few of the GFWC International Clubs. Some of that news is wonderful and some is somewhat frightening.

With regards to the GFWC Florida Annual Convention mentioned earlier, I hope to see many of you there! There will be a Board of Directors Meeting on Friday evening with some business transacted. The Convention officially opens on Saturday with another business session. I urge our members to be in attendance, with a copy of the proposed by laws changes. I hope to see you there! I have a room (253) where we will have a Blue Umbrella Open House on Saturday night after the dinner. The Junior Fun Night Photo Scavenger Hunt is during that same time period. I hope some of our members will be participating in that. The Open House in my room is very casual and will be ongoing. Please visit anytime, including after the Scavenger Hunt. We have much to talk about!

Last week, the GFWC Blue Umbrella Club sponsored its first Webinar. "Save the Monarchs" was an exciting and thorough study of the life of the butterflies, from egg to caterpillars to beautiful butterflies, what they ate, what their predators were and how to make your yards a place that is conducive to butterflies, bees, and hummingbirds. Our members Patty Fisher and Helen Aungst are so knowledgeable and we are grateful that they shared their knowledge. The webinar conflicted with several planned events so Lisa Klatt, Communications/ Membership Coordinator taped the webinar, so it is available for you to view.

GFWC Blue Umbrella members, you have much to be proud of...and much to look forward to! Thank you for always showing your positive outlook and spreading

LOVE, RESPECT, AND KINDNESS...always...and everywhere!

Hugs,

Dianne

**GFWC BLUE UMBRELLA CLUB
NEWS AND UPDATES!**

BELIZE:

We recently received notice that the president of the GFWC Belmopan Woman's Club, Shanice Joseph, will not be able to attend GFWC Convention in Louisville, Kentucky in June. Some of you met her at the last GFWC Convention and some of you met her on the recent trip to Belize with Laura Connelly and Southern Region President Joyce Johnston. However, the good news is that their club will have representation at the Convention. Ms. Tricia Pelayo will be attending. Shanice reached out to me and asked if there was anyone who needed a roommate since Tricia would be traveling alone. I, in turn, reached out to the other members of the International Liaison Committee and quickly received a positive response from Cherie Siegel from Illinois. My personal thanks to Cherie for showing such kindness and graciousness. I know that new friendships will be forthcoming, and Tricia will feel very welcome! Please take time to meet this International sister if you are attending the GFWC Convention.

UKRAINE:

The other update we have is from Lora Pavlenko, president of the GFWC Woman's Club of Ukraine. Many of us have been following Lora via Facebook. She, her daughter, and granddaughter have been refugees for close to a year, staying in Switzerland. She has been meeting during that time with other Ukrainian women and children in Switzerland. She organizes meetings and activities, and ministers to their many needs. They have formed a group called Vision Women. I recently received a message from Lora letting me know that she and her daughter and granddaughter are returning to Ukraine. She says that her husband, who is a minister, needs her support, as well as her mother, both of whom are still in Kiev. She has thought and prayed about this decision and feels that she needs to make this move. She shared that there are many women still in Kiev who have been abused by Russian soldiers, many young

widows, and many who have lost children. She feels called to help. I have asked what I can do to help, and she assures me that she will communicate those needs with me. I will share anything she needs with you. I am so frightened for her and her family. I ask that each of you please keep Lora, RenaTa, and Christina in your intense thoughts and prayers.

HATI:

In April 2016 our good friend and club member Judy Laing introduced us to Healing Art Missions, a nonprofit organization formed by her daughter, Dr. Tracee Laing, M.D., in 1999 to serve the needs of the people in Dumay, Haiti. Since that time, GFWC Rotonda West Woman's Club has attempted to provide support to H.A.M. although life and conditions in Haiti have become increasingly difficult for Haitians at the same time that we have had our own struggles with Covid and Hurricane Ian. Here is an update on the current and very critical circumstances affecting Healing Art Missions, formerly located for 22 years in Dumay, Haiti.

"Dumay is right in the center of the Central Haiti civil war. We stayed as long as we could. There is a small group of Doctors Without Borders staff who are working in our Dumay Clinic with the backing of the gang currently controlling the area, and as important, they have permission of the Haitian Police to work anywhere in the country. The final straw for us was the police handcuffing and interrogating our Dumay Medical Staff for 12 hours, threatening to throw them in prison if they cared for any gang members. Of course, you take care of gang members when working in gang-controlled areas - otherwise they kill you. So now we are concentrating on getting care to those fleeing the violence in the South. Our mobile medical teams are staffing hospitals in the south, concentrating on maternal and surgical care, since most hospitals in the south do not have specialized or surgical staff. To keep our medical staff safe, we often must fly them to the cities in the south - to avoid roads controlled by gangs."

"Our Charles Salomon Primary school in Port-de-Paix has 350 children attending and 40 adults in our literacy program. It is still running strong in an area that has managed to keep from being overrun by the gangs."

"Education has always been a high priority for HAM - it is hard to see improvement in Haiti without an educated population. I really hope things improve for you and for Haiti soon - Thanks for reaching out,"

Blue Umbrella Angels Doing Their Magic!

Thank you to all the members and clubs around the country who sent donations to the Mississippi tornado victims in Rolling Fork! It is so wonderful to see our Blue Umbrella Angels, including those not living in Florida, promoting our Blue Umbrella positive attitude of joyfully helping those who need assistance.

Pat Vegnani, Blue Umbrella member and member of the Woman's Club of Coconut Grove, has been a longtime friend and donor to the Miami Rescue Mission. She donates monies and/or needed articles for the homeless and/or children. This year, Pat gave \$100 for their **Thanksgiving on Good Friday Outreach** and \$ 50 for their upcoming Graduation ceremony. Pat brought this wonderful organization to the attention of the Woman's Club of Coconut Grove. The Club has volunteered and/or given money to their cause for years.

On May 20, 2023 they will have a Graduation Ceremony. Everyone is welcome to attend and/or give to their efforts.

On April 1st, clubs from District 11, many of whom are members of The GFWC Blue Umbrella Club, joined the Cystic Fibrosis Great Strides walk at Zoo Miami. \$ 2811.63 was raised toward finding a cure!

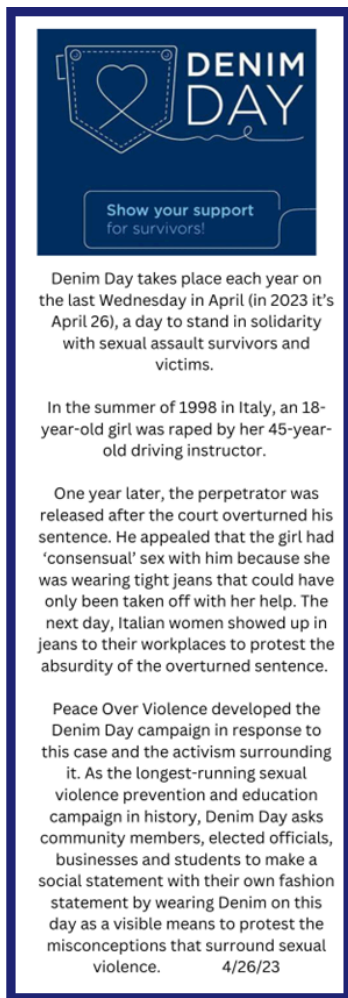

Cystic Fibrosis is the project of Christa Nuckols, GFWC Florida Director of Junior Clubs, and we are so proud to help them raise money for their very worthwhile project.

Getting ready!

Denim Day is a campaign that takes place on the last Wednesday in April every year, in honor of Sexual Assault Awareness Month. Denim Day started as a campaign against sexual assault apologists. In the summer of 1992 in Italy, an 18-year-old girl was raped by her 45-year-old driving instructor.

In 1998, the perpetrator was released after the Italian Supreme Court overturned his sentence. He appealed that the girl had had 'consensual' sex with him because she was wearing tight jeans that could have only been taken off with her help. The next day, Italian women showed up to their workplaces wearing jeans as a way to protest the absurdity of the overturned sentence.

Peace Over Violence developed the Denim Day campaign in response to this case and the activism surrounding it. Since then, what started as a local campaign to bring awareness to victim-blaming and destructive myths that surround sexual violence has grown into a movement. As the longest-running sexual violence prevention and education campaign in history, Denim Day asks community members, elected officials, businesses and students to make a social statement with their fashion

statement by wearing jeans on this day as a visible means of protest against the misconceptions that surround sexual violence.

On Denim Day, which takes place on April 26 this year, we stand in solidarity with sexual assault survivors and victims.

When you visit President Dianne Foerster's hotel room #253 during Convention, there will be Blue Denim Day Buttons and bookmarks which you can take with you and share with anyone who would be interested to stand in solidarity with sexual assault survivors and victims, by wearing the button on April 26. Give them to friends at Convention or take them for your Club.

Sexual violence is a major public health, human rights and social justice issue that impacts every person The purpose of **Sexual Assault Awareness Month (SAAM)** is to raise public awareness about sexual violence, educate our community on how to prevent it, and share resources available to those impacted by sexual assault.

Everyone is affected by sexual assault. This is borne out by the statistics: Nearly **1 in 3 women** and **1 in 4 men** will be the **victim of sexual violence** at some point **in their lifetime**.

In many cases, sexual violence is a result of a culture that does not properly educate people on how to prevent crimes like this from happening. This makes

it especially crucial to begin talking about consent and healthy relationships when our children are young, and to continue having these discussions throughout the course of our lives. These conversations are necessary if we are to create a culture where we can talk about consent, boundaries and healthy sexuality.

The **duty of ending sexual violence is a community one**, which is why it is important to raise awareness and give community members the necessary tools to have these conversations with their families and with each other.

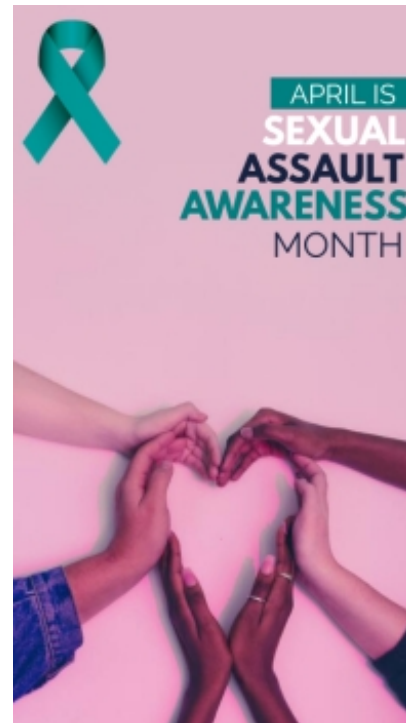

I was reminded of the different days signifying one type of assault. For instance, above you have printed bookmarks that Kathryn Gallagher so kindly sent me. At the convention next week, we will have buttons and bookmarks to signify April 26 as Denim Day. We are suggesting you all wear denim to show your support of Peace Over Violence.

Our MEMBERS are the heartbeat of GFWC!

District Heartbeat Events - by Laura Connelly, GFWC Florida Second Vice President and GFWC Blue Umbrella Club member

Do you have Kelly Clarkson's heartbeat song playing on repeat in your head? If so, you probably participated in your District Membership Workshop! A team of GFWC Florida officers has been traveling to every district in the state since November, and we only have two districts remaining! Together we have delivered a hands-on, in-person workshop in each district that was packed with content and tools for attendees to take back to their club and use right away. Attendees also had the opportunity to share ideas and learn from other nearby clubs and leaders. District leaders volunteered to facilitate small groups, host visiting officers, and handle registration and other logistics.

The responses to the Club Wellness Check-ups determined the content of these workshops, and focus areas include Membership, Leadership, Communications & PR, and Club Finances. District Directors, Junior District Directors and District Membership Chairmen reached out to clubs they don't always see, encouraging them to attend this special workshop. In every workshop, we had at least one, and sometimes several, first time attendees --- women who had never been to a district or state meeting before. In some cases, they were brand new members! It was a wonderful way for them to hear about the incredible sisterhood of like-minded women that they have joined.

What a joy it has been to spend this time in each of our districts over the past six months! On behalf of all the traveling officers and committee members, we thank you for your hospitality. We leave each district feeling inspired and invigorated by all that our clubs are doing to serve their communities. Thank

you to all of the GFWC Blue Umbrella Club members who have participated in these workshops. You truly are the heartbeat of GFWC!

SAVING MONARCHS A FEW AT A TIME!

After watching the wonderful webinar that Patty Fisher and Helen Aungst gave about saving the monarchs, I decided to follow their instructions and bought some milkweed. A couple of days later I saw the first caterpillar. I bought one of the mesh cages suggested at the webinar; put the milkweed inside to protect the caterpillars from predators, but

soon I realize that I needed more plants because the ones I had had been devoured!! I bought two more milkweed plants,

It has been an incredible experience to see the caterpillars and now the first two chrysalis!

Thank you, Patty and Helen. I have always wanted to do this, and now I am so excited to be able to see the transformation.

During our last Blue Umbrella Club Zoom meeting, one member told us about Cyber Grants. This is an outstanding opportunity for clubs to tap into this wonderful organization to help with monies for your clubs.

How Does it Work?

It all starts with the NonProfit Organization (NPO) creating a profile in FrontDoor. Once registered, CyberGrants vets the NPO by working with the IRS Business Master File and other global databases to guarantee the nonprofit meets the charitable standards of our corporate customers. Exclusive to FrontDoor, the platform also vets the individuals who claim to represent these nonprofits to ensure they are the right person(s) to make decisions on the organization's behalf. Once approved, an NPO representative can access their information via the single website and also provision additional users to help them maintain their organization within FrontDoor. The single self-administered NPO profile is shared across all CyberGrants corporate customers ensuring data accuracy and integrity for corporate disbursements.

CAMP BOGGY CREEK

MISSION

To foster a spirit of joy by creating a free, safe and medically-sound camp environment that enriches the lives of children with serious illnesses and their families.

Camp Boggy Creek has been selected as GFWC Florida President O'Toole's state project for 2022-2024. Together, we as members of GFWC Blue Umbrella Club, Inc. can work to make a difference in a child's life. My ask is that you join me in supporting this initiative.

WHAT IS CAMP BOGGY CREEK

The Camp is a safe place for children ages 7-16 with one of the following illnesses: asthma, bleeding disorders, cancer, craniofacial disorders, diabetes, epilepsy, heart disease, kidney disease, rheumatic disease, ventilator assisted disorders, sickle cell, spina bifida and transplants to spend time and forget their illnesses and have an opportunity to enjoy life as a child – without thinking about their disease. The camp was founded by General H. Norman Schwarzkopf and Paul Newman and is in Eustis, Florida.

PROGRAMS AND ACTIVITIES

They host year-round sessions, including summer camp for the children and family retreats in the spring and fall. Activities include swimming, boating, fishing, arts & crafts, horseback riding, theater, archery, mini golf, dancing, singing and adventure activities.

WHAT IT TAKES

Roughly 3.8 million dollars is needed each year to run this ADA, state of the art medical camping facility. The one building that stands out - the Patch (where you go to get patched up) is filled with volunteer medical specialists to ensure each camper's safety. The cost to send each child to camp for one week is \$2,500. No parent is asked to pay to send their child. Camp Boggy Creek relies on non-profit organizations like GFWC to fund all expenses. Every walk down cabin row, every stage day, every smile, every new friendship... it all matters...Camp matters...and your gift matters to children with serious illnesses and their families.

WHAT CAN YOU DO AS A BLUE UMBRELLA CLUB MEMBER?

The camp needs "Boggy Creek Bears" which are made from a specific pattern. I am not a seamstress, and I've been told the patterns are extremely difficult, but if you're a sewer, this is an excellent opportunity for you to get engaged! In addition, the Camp is looking for hand crocheted afghan blankets that would be given to each child to take home after their stay. There are specific dimensions for the blankets as well. If you or your friends and family can assist in making the Boggy Creek Bears or an afghan blanket, please let me know and I will be more than happy to share the specific instructions with you.

In addition to the bears and the afghans, you can help raise \$2,500 or more, to send a camper to Camp Boggy Creek for a week. Since this is a two-year project, we have time to help raise/solicit these funds. Opening our hearts to these children and their families is one way we can show our support to make memories in the life of a child.

Please send me an email at membershipblueumbrella@gmail.com if you would like the pattern for the bear, instructions for the afghan blanket or have an idea for raising funds to send a child or two to Camp Boggy Creek.

Wishing each of you and yours a healthy, happy New Year!

We have two Facebook sites. One is a "Public" PAGE and the other a "Private" GROUP. Dues paying members are encouraged to join BOTH. These are the differences between "page" and "group":

"Public" PAGE: It can be seen by anyone on Facebook. It is used to recruit new members and introduce people to our vision and purpose. This PAGE collects "likes" and "followers." Once you like and follow this PAGE, you can "invite" your friends to like and follow it. Anyone can like/follow and keep up with our activities. Since I am one of the PAGE administrators, I have placed restrictions on posting by just anyone. I must "approve" posts first. This is to control spammers to a degree.

"Private" GROUP: You must be a "dues paying" member to join. You must "request" and be "approved" in order to view and post on it. This GROUP will be used for announcements, zoom meeting links, member discussions and the like. Members use this GROUP to communicate with one another, access files and other member information that we do not want to share with non-members. I am also one of the administrators of this GROUP.

A Collect for Club Women
Mary Stewart

Keep us oh God from pettiness;
Let us be large in thought, in word, and deed.
Let us be done with fault-finding and leave off self-seeking.
May we put away all pretense and meet each other face to face,
without self-pity and without prejudice.
May we never be hasty in judgment and always generous.
Let us take time for all things.
Make us to grow calm, serene, gentle.
Teach us to put into action our better impulses, straightforward and unafraid.
Grant that we may realize it is the little things that create differences,
That in the big things of life we are at one.
And may we strive to touch and to know

the great common human heart of us all.
And oh Lord God, let us not forget to be kind!

In 1904, Mary Stewart (1876 – 1943), wrote a “Collect for Club Women” which our club recites at meetings, as do club women throughout the world. Stewart stated that the Collect was written “...as a prayer for the day. I called it a Collect for Club Women because I felt that women working together with wide interests for large ends was a new thing under the sun and that, perhaps, they had need for a special petition and meditation of their own.”
