Please feel free to call and check in with us at anytime: 252-838-1177

BEAUFORT BARK POLICIES AND REQUIREMENTS

FEES: Owner agrees to pay the rate of boarding, daycare, and/or grooming in effect on the date the pet is checked into the facility.

Boarding:

- ❖ \$55 per night (all size canine boarders)
 - ❖ \$65 per night during holiday season (Nov. 20th – Jan. 3rd) ** A MINIMUM OF 3 NIGHTS REQUIRED FOR HOLIDAY BOOKING **
- *10% Discount for families of 2 dogs or more*

Daycare:

- ❖ \$25 Full Day (Anything over a 5 hour period)
- ❖ \$15 Half Day (5 hours or less)

We offer a 15% Military and First Responder discount and a 10% Teacher and School staff discount for all boarding, daycare, bath, and a la carte services. Maximum of 20% discount. Discounts are not available for grooming or package purchases.

Grooming: Fees vary – Depends on size, styles, coat condition, and other requested services. ** See our price list for more information **

Your pet will not leave the facility until all fees are satisfied.

CHECK-IN AND ARRIVAL: We are open from **8am to 6pm Monday – Friday** and **8am to 5pm on Saturday and Sunday**. Any pet not picked up by closing time will be boarded for the night and you will be charged the nightly boarding fee. We ask that all dogs be leashed and under your control when they come in our doors and all cats (grooming) should be in a ventilated cat carrier.

VACCINATION/MEDICAL REQUIREMENTS: All canine visitors **MUST** be up-to-date on **Distemper/Parvo, Rabies**, and **Bordetella** vaccines. All cats **MUST** be up-to-date on **Feline Distemper** and **Rabies**.

Our state license requires that we have a full and current record of your pets' vaccines in our possession. We cannot daycare, board, or groom without this record. In addition, you acknowledge that your pet is in good health and has not shown evidence of any illness or disease in 14 days prior to visiting our facility. Also, you acknowledge that your pet has had proper wait periods for vaccines (Bordetella vaccine requires a 14 day waiting period prior to boarding). Pets adopted from the shelter must have 30 days in-home care prior to visiting Beaufort Bark Pet Resort.

FLEA AND TICK TREATMENT: It is critical that our facility stays free of fleas and ticks. If a pet comes in with these pests, our staff will administer a flea treatment and this cost will be added to your bill.

PUPPIES: What a great place to learn socialization skills! Dogs must be at least 16 weeks old to stay with us and received all sets of veterinarian administered booster vaccines, including BOTH Bordetella boosters. Rabies vaccination is given/due at 16 weeks of age and is one that is required by state law, which is why we require them to be at least 16 weeks to visit us. Keep in mind that younger pets' immune systems are not fully developed and are more at risk for illness.

SPAY/NEUTER: Many kennels that offer commingled play will not accept dogs into play situations unless neutered by one year of age. We are more flexible but we fully support this policy. Males not neutered and females not spayed by one year of age usually are "non-commingled" meaning that their play time is very, very limited. We especially do not want to manage a female in heat as this causes many problems.

BEAUFORT BARK POLICIES CONTINUED

MEDICAL EMERGENCIES: If a pet becomes injured or sick, our first call is to you. If we cannot reach you or your emergency person, we will use our own discretion to seek out veterinarian care, preferably at your chosen veterinarian or if after hours, Havelock Emergency Pet Hospital. This cost will be added to your bill. Please let us know in detail at boarding or daycare time if your pet has a chronic health problem so that we can carefully monitor your pet's health. In addition, elderly dogs and anxious dogs can be kenneled in a protected environment and receive nightly monitoring.

OUR FINANCIAL RESPONSIBILITIES: Owners must understand that dogs play with their mouths and their feet. We offer a supervised commingled play situation but we cannot be financially responsible for the rough and tumble play of pets. If we are negligent, we will pay for a dog's injuries. However, if an injury takes place as part of open play, we cannot assume this financial responsibility. Sports injuries, such as a torn ACL, are not due to our negligence. In addition, kennel cough cannot be controlled in all environments. We offer a very clean facility, air cleaners attached to our HVAC system, and careful vaccine monitoring. If your dog is prone to kennel cough, this environment may not be right for them.

MEDICATIONS: North Carolina regulations require that all prescription medications must be provided in the original container clearly labeled with name, strength, and dosage instructions. We keep a separate log for medication management.

NIGHT CARE: A staff member is on premises from 6:30pm to 7:30am Monday – Friday and 6pm to 7:30am Saturday and Sunday. This staff member, also referred to as our “Overnight Person”, lets all of the dogs out between 7pm and midnight. The two rooms we have with twin sized beds is where the overnight person sleeps, so there is a chance that they may spend a night or two in the room with your dog. We try and do this with our more vulnerable and/or anxious boarders to help make them more comfortable.

CANCELLATION AND NO SHOW: Cancellations for boarding, daycare, or grooming should be made at least 24 hours in advance. A no-show to an appointment or reservation will result in a \$30 fee added on to your account that must be satisfied at the time of your next appointment/reservation. We understand that things happen and plans can change last minute, however, we'd like you to be mindful of our staff and other clients. We are a small facility and base everything off of the appointments and reservations we have scheduled each day. If we have you scheduled, your appointment/reservation is taking up a time slot, a daycare spot, a boarding room. That means if there are not other slots, spots, or rooms available, we have no choice but to turn away other clients whom are requesting a service from us and it's not fair to them or our staff to have to turn them away when there was the possibility of availability.

I have read and agree to the terms listed above.

Owner Signature: _____ Date: _____

COMMINGLE AGREEMENT

By giving this permission, I accept that there is a certain risk associated with commingling animals unknown to each other. All animals will be screened for aggressive behavior before commingling. Except for acts of gross negligence by the staff, Beaufort Bark does not accept liability for injury in a supervised play environment. Owner authorizes pet to be treated as deemed best by Beaufort Bark and owner shall pay for all expenses involved in treatment. Owner releases Beaufort Bark from any and all liability (including attorney fees, illness, injury, or death) that may occur to your pet while at Beaufort Bark.

I give _____ / DO NOT give _____ permission to Beaufort Bark staff to supervise my dog in a play environment with other dogs.

I choose my pet to be: Commingle _____ Non-Commingle _____

Pet 1's name: _____

Pet 2's name: _____

Pet 3's name: _____

Owner's Name: (PRINT) _____

Signature: _____ Date: _____

Note: If you have more than one pet and want one to commingle and the other to not, explain below.
