"I caught Kevin's 15 minute show set at the Elvis Tribute Artists Convention in Las Vegas, at the Imperial Palace Casino hotel, on the Legends in Concert stage.

Kevin was voted by his peers to be in the top ten out of the 110 in attendance.

He is one of the best tribute artists I've seen, and believe me, I've not only seen the best, I worked for/with Elvis Presley on stage for many years.

Charlie Hodge, Memphis Tennessee

“Like most managers looking to hire entertainers, ESPECIALLY guys doing Elvis, we were very skeptical. Doing Elvis right is tough! We’ve seen plenty of BAD ones, so we sent two of our people to see this show at another club in another city. The venue was a “sold out dinner & show event”. They told me to hire this show ASAP. Well, Kevin was traveling 8 states at the time, but we finally got a date. DON’T WAIT, BOOK THIS SHOW NOW. You’ll never regret it”! Charlie Baer, President, Ft. Dodge Eagles Club
