

# Building bridges and shaping leaders

## Tracks to develop yourself and improve teaming

### Customizable

Each module is designed for individual or group learning in about 20 minutes. We customize content for relevance and impact, with optional skill-building activities

### Delivery options

Access pre-recorded modules individually or schedule live training led by a professional facilitator, either in-person or virtually. Facilitator guides and training materials are available for self-led sessions.

### Personal Development

Personal finances

Personal brand

Self awareness and empathy

### Professional Development

Business Etiquette: Effective  
written and verbal  
communication

Be an ally

Fostering an inclusive  
workplace

### Leadership Development

Managing multi-cultural  
teams

Change management in the  
remote era

How to create engaging  
learning
