Great Time on Fathers Day

What a great time on Fathers Day for our annual team scramble. We had one of the highest number of guests playing and enjoying the day with family. Travis brought both sons with the little guy putting the team in play on *every* hole with an undeterred hefty left handed swing. Then we had our mainstay father—daughter duo from the Fricks family where the apples doesn't fall too far from the tree, though Natalie is a better trash talker than her dad.

The Strombeck family came out for a round of golf. For those who do not know them, Mike Strombeck started playing with the PinSeekers in 1985 with his father Rich, and brother in law Mark Kiel. We also had the Jibbers (father and son) dropping putts and hitting targeted tee shots into the fairway. Watch out, Jr is going to be a good golfer.

Kyle Carpenter brought his father Pete to play in the Mackowiak team. Everyone pegged the team as the early favorite with Ovidio rounding out the group but they failed to make critical putts. Herbie Lake brought his son Greg, who was once a member of the Club and another long ball hitter.

Kerwin brought a team of lucky high handicappers with one golfer nearly skipping his 115 yard tee shot on #8 across the water and resting 1' from the cup. This was the lowest team with a score of 10 under par.

Major #1

This coming Sunday will be the 4th round of Major #1. Remember, this is a 7 week period where you best 4 scores are counted towards your Major score.

Team Jasinski had 88 yards going into the second green into a strong wind. I guess Jibber took too much club and powered it onto Western Ave.
