## Timing is Everything

Last week was yet another reminder that when it comes to the weather, we truly never know what we're going to get. It started out gray and harmless enough, but just as the first two groups got their rounds underway, the skies opened up and turned the course into a temporary swamp. After a soggy 90 minute delay filled with radar-checking and clubhouse banter, the clouds finally broke, the conditions settled down, and the PinSeekers were able to get back out and finish their round.

Once play resumed, Kyle Carpenter turned the back nine into his personal highlight reel. Riding a stellar low round, he nearly jarred an ace on the par 3 17th, stuffing his tee shot tight and then calmly rolling in the putt for a smooth birdie 2. That swing earned him both the scratch/gross and handicap/net skins on 17, and he scooped up another pair on the 3rd hole with a par for good measure. In classic fashion, Kyle slipped out before grabbing his winnings, but something tells us he'll be more than happy to **collect** this week instead of making another generous "donation" to the pot.

### Golfers with Multiple Birdies

- 3 - Sandbagger Kerwin!

### Weekly Event

This week's event is a three man game with a rotating scoring format:

- First hole: count the single low net score.
- Second hole: count the two low net scores.
- Third hole: count all three net scores.
- Repeat on the next 3 holes.

### Major #1

On June 5th, we will have our second major tournament of the year, our partner tournament. This tournament is a team event where two golfers from the same Division are paired together to form a team. Teammates play together with their own golf ball throughout the round and the lowest better ball net score per hole counts towards the team's score. The team with the lowest total score in their Division wins the tournament. Winning team will be awarded \$100 - no weekly event during major tournaments.

Kyle Carpenter's tee shot on the 17th hole - and yes, even with Kyle putting, he made the putt.
