

Training Requirements

Kenny

A section where it's training. now the training sections going to have a lot of things everything from businesstools2succeed to online classes of customer service business management. I don't want to just give them the skills to do their job I want to give the skills to succeed and for them to advance their ability to help this company there are many great online classes from Harvard Stanford and other universities that can teach them skills for the future of their life and be beneficial to our company they also can get certificate on certain classes

Kenny

I say it all the time we don't want drivers we want motivators and people that helped bring this company to the next level and in order to do that we need people to learn and be able to find the materials to advance their self
