

METHODIST GAMING "THE WORLD IS OUR STREAM"

Live Monday Nights on Twitch & Facebook
8:00pm - 8:30pm EST (Check-ins, Reflections, and Holy Conversation)
8:30pm to 9:00pm (Gaming Together)

Like the Circuit Riders of old, Methodist Gaming (MG) goes where people gather. We stand at today's "Market Cross" as a digital ministry of presence within the Twitch community and throughout social media. Our vision includes building Connexion while helping clergy and laity innovate in our Wesleyan heritage and perspective.

WHAT ARE PEOPLE SAYING?

"Methodist Gaming goes beyond digital ministry. It has connected me with other like minded people, given me a safe space to discuss all things in my life and my spiritual journey, and has created a community where I have met some people whom I now consider dear, dear friends. I have been blessed to watch this community and ministry lift up and bless so many people, including me, in so many ways." -MythiKayla
