BEHIND THE MADELI BRAND

OUR DESIGNS

The very essence of our design philosophy is expressed in our motto: Functional Elegance. European influenced, our designs are boldly elegant and stylish, while maximizing the modern functionality demanded by today's educated and discriminating consumers. Our design team, with over 50 years of combined experience, has applied the knowledge gained from extensive market research to determine the latest consumer trends and to bring elegant and functional designs into the bathroom to make it one's very own sanctuary.

OUR FURNITURE GRADE QUALITY AND CONSTRUCTION

Our furniture grade manufacturing philosophy is to use the highest-grade materials and the most reliable brand hardware available to the industry. Our wood finishes feature furniture grade plywood layered with solid wood veneer inside-out, assembled and then protected by several layers of polyurethane coating for durability, waterproofing and peace of mind for years to come. Soft-closing motion-hardware for doors and for full-extension drawers is a standard feature on all Madeli® products, including all medicine cabinets. Combining the newest technology standards into its manufacturing processes along with traditional craftsmanship and rigorous inspections by its QAET Teams (Onsite Quality Assurance Engineering Teams), Madeli® assures the consumer that only the finest quality products will be delivered to their home.

OUR ENGINEERED VALUE

The Madeli® marketing concept is to integrate features requested by homeowners into the most discriminating designs to create products that enable showroom sales consultants to demonstrate benefits while closing more sales through competitive pricing.

OUR IMMEDIATE AVAILABILITY

To assure immediate availability, Madeli® maintains an extensive inventory of all the products it offers in Miami, Florida for 24/48-hour shipment.

OUR RELENTLESS COMMITMENT

We are passionately committed to providing innovative, elegant and functional furniture grade quality products at competitive pricing and support our commitment with on-time delivery and a dedicated, knowledgeable Customer Care Team.

All requests for return of merchandise after 90 days from date of Invoice are subject to a 50% restocking charge. We reserve the right to refuse returns after 6 months from date of Invoice. Limited Warranty: Madeli-USA LLC guarantees all products to be free of defects in materials and workmanship for one (1) year from the original date of purchase. X-Stone Solid Surface comes with a 10-year residential warranty against defects from the original date of purchase. These warranties extend to the original purchaser. If a product fails due to defects in material or workmanship during the warranty period, Madeli-USA LLC will repair or replace it at its sole discretion. Madeli USA LLC will not be liable for labor charges or freight cost incurred in connection with replacement of a product or for any other consequential damages.

Exclusion from Warranty:

1. Damage resulting from abuse, improper use, negligence or accident during or after the installation of a Madeli's product.
2. Defects resulting from any modification or improper installation.
3. Slight color and size variations of Glass Vessels.
4. Irregularities of Hand Crafted Stone: Due to the natural variance inherent in the marble/natural granite and the process of carving by hand from a single block of natural stone, you can expect small difference in color and size, as well as irregularity such as areas of enhanced coloration, minor pitting, and veining which add to the individual character of each basin.

Care and Maintenance: Always wipe furniture dry with a damp, non-abrasive cloth. Spills on granite & marble countertops should be wiped clean immediately to avoid staining. Wood continues to breathe as it ages. Dry air affects all woods. Try to keep rooms at an even temperature with good humidity. All woods & stains change in color when exposed to excessive light. Excessive exposure to sunlight may create significant changes in color.

WOOD VENEER DISCLAIMER ASH GREY, WALNUT AND BRANDY

Madeli uses the highest quality wood veneers, premium stains, and topcoats to create the distinctive look of our Ash Grey and Walnut finishes.

While our emphasis is always to select materials that match each other, wood is a product of nature, and much like a fingerprint, no two grain patterns are exactly alike. When stained, variations in tone, wear and graining are normal and are unique to each and every cut. These characteristics and variances are not defects in workmanship, but considered an integral part of woods' natural beauty and are not covered under our warranty.
