À LA CARTE OPTIONS

INSTALLATION TYPE

By default, all kitchen sinks from our standard collections are designed for undermount installation. With the À la Carte options, you can now select one of the following alternative installation options:

DESCRIPTION	OPTION	PRICE
Undermount with apron flat	UAF	830 \$
Undermount with apron curved	UAC	830 \$
Topmount / Flushmount	TF	780 \$

Scan for
detailed options

HOLE(S) FOR FAUCET AND ACCESSORIES

Topmount or flushmount models are equipped with a 3" wide rear platform for faucet and accessories, and by default, the hole is centered (HP3). If you want a different hole configuration, you can determine the number and layout of the holes needed

DESCRIPTION	OPTION	PRICE
Far left hole	HP1	FREE
Center left hole	HP2	FREE
Center hole	HP3	FREE
Center right hole	HP4	FREE
Far right hole	HP5	FREE

ADA COMPLIANCE

ADA compliant sinks are designed to make their use easier, more practical and comfortable for people with disabilities or limited mobility. By choosing this option, your bowl(s) depth becomes 5½" and it leaves enough space underneath to allow for knee clearance.

DESCRIPTION	OPTION	PRICE
Bowl(s) depth 5½"	ADA	FREE

DIVIDER

For double bowl sinks, a standard divider is full height and 1" wide. If you would prefer something different, we offer three alternative types of dividers, each with its own specific functions.

DESCRIPTION	OPTION	PRICE
1" wide, 1" from the top of the bowl	DV1	750 \$
1" wide, 3" from the top of the bowl	DV2	865 \$
4" wide, 3" from the top of the bowl	DV3	980 \$

BUILT-IN DRAINBOARD

Designed primarily to dry dishes without cluttering up the counter, the built-in drainboard can also be used as a work surface for cooking and cleaning. The drainboard is embossed for greater stability, and its dimension is adapted to the front-to-back dimension of the bowl.

DESCRIPTION	WIDTH	OPTION	PRICE
Left built-in drainboard	12"	DB112	950 \$
	18"	DB118	1 065 \$
	24"	DB124	1 180 \$
Right built-in drainboard	12"	DB212	950 \$
	18"	DB218	1 065 \$
	24"	DB224	1 180 \$

BUILT-IN DRAWER

A drawer built into the side of the bowl is the perfect place for storing small everyday cleaning items like brushes and scouring pads. The inside dimension, front to back, is 12". It is always installed 1¾" from the top of the bowl.

DESCRIPTION	OPTION	PRICE
Left built-in drawer	DW1	605 \$
Right built-in drawer	DW2	605 \$

POSITION OF THE DRAIN(S)

This option lets you choose the drain position in the bowl. By default, the drain is in the rear center of the bowl (DP2). This is the position recommended by Home Refinements to maximize under-cabinet storage space and the flat surface area available at the bottom of the bowl. However, moving the drain to the following locations, while altering the style, will not sacrifice these benefits.

FOR SINGLE BOWL

DESCRIPTION	OPTION	PRICE
Rear left corner of the bowl	DP1	FREE
Rear right corner of the bowl	DP3	FREE
Center left of the bowl	DP4	FREE
Center of the bowl	DP5	FREE
Center right of the bowl	DP6	FREE

FOR DOUBLE BOWL

DESCRIPTION	OPTION	PRICE
Center of the bowl	DP55	FREE

SMARTSTATION UNDERMOUNT REVEAL INSTALLATION

Choosing this option will extend the flanges of 3/4" at the front and back of the sink. This allow the top accessories to sit directly on the sink instead of on the countertop.

DESCRIPTION	OPTION	PRICE
Extended flange for undermount reveal installation	REV	220 \$

CUSTOM GRIDS

How to order a custom grid for a custom drain position

A custom grid number is always composed of two types of information:

1. Choose the grid model that fits with the sink on which the drain position has been changed.
2. Add the the code of the drain position after the grid model. Separate with a dash.

Use this code to place your order

Model number

À LA CARTE

How to create your product number

An À la Carte product number is always composed of two types of information:

1. The model number of the chosen sink forms the basis for the number.
2. The code(s) referring to the various options added to the basic sink are set off by dashes.

Use this code to place your order

SOCIAL CORNER

There are many ways to optimize your kitchen, and the SocialCorner sink is one of them. By moving the sink to one corner of the island, it makes two sides easily accessible, optimizes work space and facilitates circulation between work zones. The sinks in this collection can be configured with the À la Carte options.

FIRA

Perfectly smooth and strong. Our firing process produces top-quality sinks that are simply beautiful to behold. And because it's always nice to be able to change your mind, we offer two designs on the same product: a flat apron for a contemporary look or a Shaker style apron for a more classical touch. With their integrated accessory ledge, the Fira sinks are true workstations whose undeniable functionality is only equalled by the refinement of the accessory line that complements them.
