MADELI

Functional Elegance

BEHIND THE MADELI BRAND

OUR DESIGNS

The very essence of our design philosophy is expressed in our motto: Functional Elegance. European influenced, our designs are boldly elegant and stylish, while maximizing the modern functionality demanded by today's educated and discriminating consumers. Our design team, with over 50 years of combined experience, has applied the knowledge gained from extensive market research to determine the latest consumer trends and to bring elegant and functional designs into the bathroom to make it one's very own sanctuary.

OUR FURNITURE GRADE QUALITY AND CONSTRUCTION

Our furniture grade manufacturing philosophy is to use the highest-grade materials and the most reliable brand hardware available to the industry. Our wood finishes feature furniture grade plywood layered with solid wood veneer inside-out, assembled and then protected by several layers of polyurethane coating for durability, waterproofing and peace of mind for years to come. Soft-closing motion-hardware for doors and for full-extension drawers is a standard feature on all Madeli® products, including all medicine cabinets. Combining the newest technology standards into its manufacturing processes along with traditional craftsmanship and rigorous inspections by its QAET Teams (Onsite Quality Assurance Engineering Teams), Madeli® assures the consumer that only the finest quality products will be delivered to their home.

OUR ENGINEERED VALUE

The Madeli® marketing concept is to integrate features requested by homeowners into the most discriminating designs to create products that enable showroom sales consultants to demonstrate benefits while closing more sales through competitive pricing.

OUR IMMEDIATE AVAILABILITY

To assure immediate availability, Madeli® maintains an extensive inventory of all the products it offers in Miami, Florida for 24/48-hour shipment.

OUR RELENTLESS COMMITMENT

We are passionately committed to providing innovative, elegant and functional furniture grade quality products at competitive pricing and support our commitment with on-time delivery and a dedicated, knowledgeable Customer Care Team.

X-Stone™ - MADELI's True Solid Surface

After years of research, Madeli is introducing its X-Stone™ Solid Surface Collection of countertops and basins. Manufactured with its exclusive and proprietary blend of solid surface ingredients to achieve a Glossy White finish, X-Stone™ Solid Surface offers superior quality and benefits when compared to most engineered or surface-coated mineral composite products.

Unlike other composite materials which are fabricated with a thin colored polyester cap layered over a polyester/ limestone substrate with hollow and void areas, X-Stone™ is a non-porous and monolithic material. It's solid all the way through and its finish is infinitely renewable if damaged. X-Stone's Glossy White finish is resistant to stain, mold and mildew. It's easy to clean and maintain.

Due to its 65% organic ATH (Aluminum Tri-hydrate) composition, X-Stone is fire retardant and 30% lighter than other "less than solid" tops. Its surface is also harder and offers superior scratch resistance.

Madeli X-Stone™ Collection stands by its 10-year Limited Residential Warranty.

Limited Warranty: Madeli-USA LLC guarantees all products to be free of defects in materials and workmanship for one (1) year from the original date of purchase. X-Stone Solid Surface comes with a 10-year residential warranty against defects from the original date of purchase.These warranties extend to the original purchaser. If a product fails due to defects in material or workmanship during the warranty period, Madeli-USA LLC will repair or replace it at its sole discretion. Madeli USA LLC will not be liable for labor charges or freight cost incurred in connection with replacement of a product or for any other consequential damages.

Exclusion from Warranty:

1. Damage resulting from abuse, improper use, negligence or accident during or after the installation of a Madeli's product.
2. Defects resulting from any modification or improper installation.
3. Slight color and size variations of Glass Vessels.
4. Irregularities of Hand Crafted Stone: Due to the natural variance inherent in the marble/natural granite and the process of carving by hand from a single block of natural stone, you can expect small difference in color and size, as well as irregularity such as areas of enhanced coloration, minor pitting, and veining which add to the individual character of each basin.

Care and Maintenance: Always wipe furniture dry with a damp, non-abrasive cloth. Spills on granite & marble countertops should be wiped clean immediately to avoid staining. Wood continues to breathe as it ages. Dry air affects all woods. Try to keep rooms at an even temperature with good humidity. All woods & stains change in color when exposed to excessive light. Excessive exposure to sunlight may create significant changes in color.

WOOD VENEER DISCLAIMER ASH GREY, WALNUT AND BRANDY

Madeli uses the highest quality wood veneers, premium stains, and topcoats to create the distinctive look of our Ash Grey and Walnut finishes.

While our emphasis is always to select materials that match each other, wood is a product of nature, and much like a fingerprint, no two grain patterns are exactly alike. When stained, variations in tone, wear and graining are normal and are unique to each and every cut. These characteristics and variances are not defects in workmanship, but considered an integral part of woods' natural beauty and are not covered under our warranty.

For
Top/Basins and Vessels
Glossy White Finish

X-Stone™ **Glossy White** top/basins and vessels are made of a monolithic, non-porous and solid all-the-way-through material whose surface is easy to maintain and infinitely renewable if damaged.

EVERYDAY CARE

X-Stone™ can be routinely cleaned with a damp soft cloth or paper towel and ordinary soap or mild household liquid detergents. Formula 409® or other commercially available solid surface cleaners will remove most basic residues or stains. To prevent hard water marks or dull surfaces, always rinse and dry the surface thoroughly after cleaning. For a final touch, you may apply Countertop Magic® cleanser (www.magicamerican.com), available at any hardware store or supermarket. Wipe away excess cleanser with a soft cloth. **DO NOT USE STRONG ACID OR ALKALINE DRAIN CLEANERS. DO NOT USE ABRASIVE CLEANSERS, PADS OR STEEL WOOL.**

STUBBORN STAINS AND MINOR SCRATCHES

GLOSSY WHITE is X-Stone's higher, reflective sheen found on top/basins and vessels.

To remove stubborn stains, spray a non-abrasive cleaner such as Formula 409® over the stain and wait for a couple of minutes. Then scrub in a small and overlapping circular motion with a wet sponge. **DO NOT USE ABRASIVE CLEANSERS, PADS OR STEEL WOOL.** To enhance the visual color clarity and hide minor scuffs, apply Countertop Magic® cleanser (www.magicamerican.com), available at any hardware store or supermarket. Wipe away any excess cleanser with a soft cloth or paper towel.

To remove scratches, polish the surface sequentially with 800/1500/2000 grit sandpaper and water using small and overlapping circular motions. Dry the water off with a clean and dry soft cloth. Then polish the area using a microfiber auto or soft cloth and a mild compound such as 3M's Perfect-it™ or Meguiar's® Ultimate Compound. Then complete the procedure by applying a commercially available car wax such as Meguiar's® Cleaner wax or Turtle Wax®. Should there be a variation with the surface finish, proceed with waxing over the entire surface. For a final touch, you may apply Countertop Magic® cleanser (www.magicamerican.com), available at any hardware store or supermarket. An X-Stone™ Home Solid Surface Care Kit is available from Madeli.

PREVENTING DAMAGE

Heat

X-Stone™'s surface is heat resistant but it is recommended to minimize direct heat exposure to the surface by not placing hot appliances such as hot curling irons directly on the surface.

Harsh Materials

Accidental spills or splatters from harsh materials should be wiped off immediately and then rinsed with water. Harsh materials include drain or toilet bowl cleaners, rust or varnish removers, paint solvents, lacquer thinner and products containing acetone like nail polish removers.

For
Flat Countertops in
Glossy OR Matte White Finish

X-Stone™ flat countertops, are made of a monolithic, non-porous and solid all-the-way-through material whose surface is easy to maintain and infinitely renewable if damaged. **ONE SIDE OF COUNTERTOP IS GLOSSY WHITE, AND THE OTHER SIDE IS MATTE WHITE.**

EVERYDAY CARE

X-Stone™ can be routinely cleaned with a damp soft cloth or paper towel and ordinary soap or mild household liquid detergents. Formula 409® or other commercially available solid surface cleaners will remove most basic residues or stains. To prevent hard water marks or dull surfaces, always rinse and dry the surface thoroughly after cleaning. For a final touch, you may apply Countertop Magic® cleanser (www.magicamerican.com), available at any hardware store or supermarket. Wipe away excess cleanser with a soft cloth. **DO NOT USE STRONG ACID OR ALKALINE DRAIN CLEANERS. DO NOT USE ABRASIVE CLEANSERS, PADS OR STEEL WOOL.**

STUBBORN STAINS AND MINOR SCRATCHES

Different cleaning techniques are required to remove stubborn stains and minor scratches depending on the type of finish.

MATTE FINISH is X-Stone's low or no-sheen finish offered on one side of the countertops. Scrub in a small circular motion with a gray #7448 Scotch-Brite® hand pad or damp sponge and an abrasive cleaner such as Soft Scrub®, Bon Ami®, Comet® or Ajax®. Then rinse and towel dry thoroughly.

GLOSSY WHITE is X-Stone's higher, reflective sheen found on the other side of countertop.

To remove stubborn stains, spray a non-abrasive cleaner such as Formula 409® over the stain and wait for a couple of minutes. Then scrub in a small and overlapping circular motion with a wet sponge. **DO NOT USE ABRASIVE CLEANSERS, PADS OR STEEL WOOL.** To enhance the visual color clarity and hide minor scuffs, apply Countertop Magic® cleanser (www.magicamerican.com), available at any hardware store or supermarket. Wipe away any excess cleanser with a soft cloth or paper towel.
