FIRECLAY SINKS AND ACCESSORIES

PROTERRA M125

FIRECLAY KITCHEN SINK WITH ROUNDED CORNERS [1,25"]

Versatility is the *raison d'être* of the ProTerra collection. Because the sink has a white glossy finish on all its sides, you can place it wherever you like, and have it do whatever you like – in the kitchen or the laundry room. And remember, fireclay is as durable as it is endearing, and its apron front design is as easy on the back as it is on the eyes. The finishing touches? Add a beautiful, functional grid and stainless steel strainer.
