THE PUREST FORM OF LUXURY™

Based in Montreal, Canada and with over 30 years of experience manufacturing premium bathroom fixtures for luxurious residential, condominium and award winning hospitality clients, WETSTYLE is shaped by a passion for design and superior quality supported by unrelenting attention to detail.

Through a marriage of exceptional craftsmanship and our proprietary environmentally friendly material, WETMAR BIO™, WETSTYLE focuses on bathroom fixtures that inspire, delight and rejuvenate.

WETMAR Bio™

WETSTYLE is proud to offer the industry's purest and most environmentally friendly material.

An industry first and 2015 Green Good Design winner, WETMAR Bio™ is an eco-friendly thermo-insulating material that displaces the petro-chemical additives in heavy use in the industry with a recipe composed of Mother Earth's natural ingredients—soy and mineral stone.

All WETSTYLE bathtubs and washbasins are made of WETMAR Bio™.

WETMAR Bio™ is offered in True High Gloss™, Matte and custom color finishes

Antislip

The high natural mineral content provides strength, durability, slip resistance and natural thermo-insulation

Thermal insulation

The thermo-insulating properties of the material permit less energy consumption to warm up the bath water and provide a higher level of heat retention than acrylic based products

UV resistant

WETMAR Bio™ is non-porous, stain-resistant, UV resistant, easy to clean, renewable, hygienic and much more solid yet pleasant to the touch than pure plastic (acrylic) based materials

Repairable

Scratches and abrasions can be easily sanded and buffed out returning product to its original lustre

Lightweight

The proprietary blend of light weight ingredients improve thermo-shock performance over competing products and add improved flame retardancy while simultaneously decreasing overall weight to size ratio of the product (notable for projects)

Seamless

One seamless part, no joints or seams for water to escape or leak

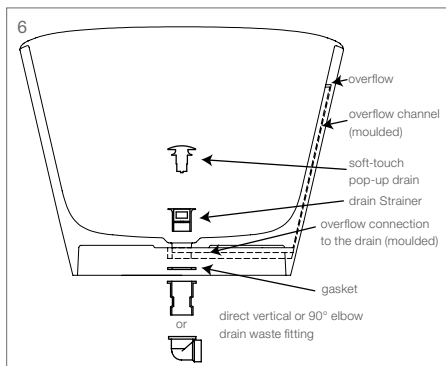

A man with a beard, wearing a white protective suit, is shown in profile, leaning over a white surface. He is using a black tool to work on the surface. The background is dark, and the lighting highlights the texture of his suit and the smoothness of the surface he is working on.

Craftsmanship

WETSTYLE products are made in the WETMAR BIO™ factory in Montreal, Canada where attention to detail, quality and service are overseen by over 100 years of collective experience

BATHTUBS: ADVANCED FEATURES

- 1 Slot Design Overflow
- 2 Integrated Overflow – overflow is built into tub wall, providing a cleaner look and saving installation time and related costs
- 3 3" clearance underneath the bathtub for ease of access for plumbing connections
- 4 Oak wood bridge in wenge shade included; when applicable
- 5 Soft toe touch drain included
- 6 Plug & Bathe™ installation system
 - a Uniquely enables installation and service completely from above
 - b Reduces overall cost of installation
 - c Increases installation possibilities and ease of serviceability

ADVANTAGES OF THE WETSTYLE PLUG & BATHE™ CONNECTION SYSTEM

Installation time and cost

Reduces installation time and overall cost of installation – this connection allows complete installation from above precluding the need for opening up the floor from underneath saving labour time, materials and clean up.

Installation possibilities

Increases installation possibilities – previously difficult to plumb environments such as concrete slab floors, condos and apartments, and basement environments are now more easily installed

Ease of serviceability

Increases ease of serviceability – to service the product the plumber can now simply unscrew the drain to remove the tub to check on status of connections underneath.

Water out-take rate

Higher rate of water out-take than traditional overflow models

Works with all local plumbing codes

(ABS, PVC, Copper)

PACIFIC BLUE #27

NEW

Matte Lacquer Pacific Blue #27

WOOD FINISHES

Our popular Walnut Natural (#11) is now available in an additional version - No Calico (#12). No Calico version does not contain the lighter sapwood portion.

Walnut Natural #11

Calico (or sapwood) is the younger and paler outermost wood on a tree. It is located between the bark and the darker heartwood.

Calico

Walnut Natural No Calico #12

Our new Walnut Natural No Calico offer the richness of walnut but with a more subtle grain pattern.

THE BEAUTY OF NATURAL HARDWOOD ...AND ACCEPTING ITS DIFFERENCES

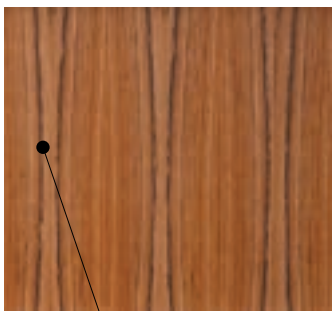

For handcrafting its wooden furniture, WETSTYLE's artisans use real hardwoods. This brings a richness to the grain pattern and a singular color that no reconstituted wood or laminate can match. And since each tree is unique, the grain pattern and color vary from one tree to the next. Therefore, no two furniture pieces will ever be exactly the same; each will have its very own character dictated by Mother Nature.

Below are examples of large wood sheets of wood to show the variations within a sheet. Although we do our best to control what we can while selecting our wood sheets, there will inevitably be a difference between the samples and photos of our catalogues, the physical samples and displays found in showrooms and the pieces clients will receive. Additionally, as it gets exposed to light, the wood will continue to mature for about 6 to 12 months, bringing out its true character.

Mozambique #82

Mozambique grain variances

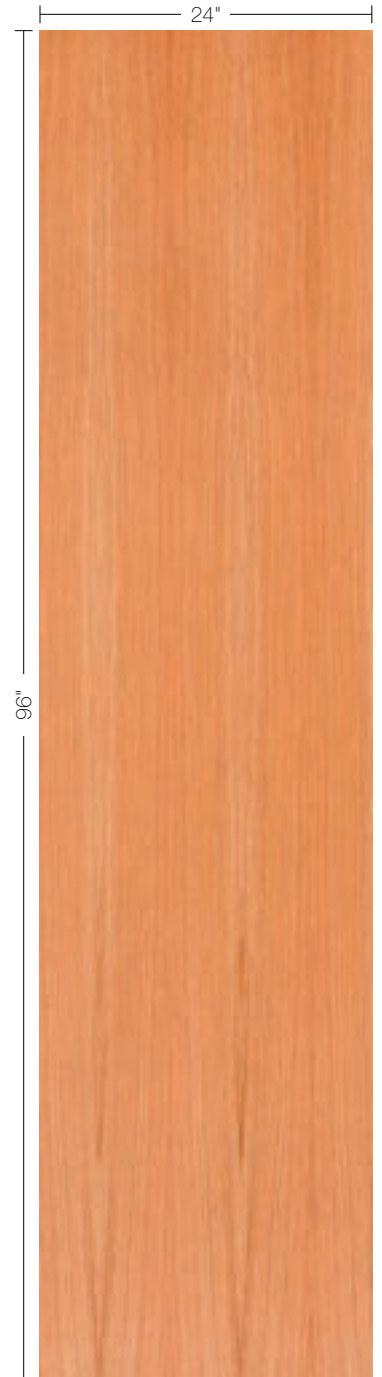

Darker annual growth lines created by minerals

Mozambique wood also contains darker lines created by the accumulation of minerals in the annual growth lines. The intensity of these lines is unique to each tree and cannot be specified or guaranteed.

Walnut Natural #11

Oak Natural #1

ONLINE SAMPLE ORDERING

We encourage you to order our free swatch samples to ensure your order is received with the perfect color in mind. Please be aware, colors and textures on your computer monitor may vary slightly from the actual material.

To order, please complete the online form (info.wetstyle.ca/en/request-material-samples) and select the required samples.

The samples will be mailed out to you within 5-7 business days. Please note that samples can be sent to U.S. and Canada addresses only.

Our customer service team will get in contact with you in case we have any further questions.

ONLINE ORDER STATUS AND PRICING

Please use our Dealer Login on our website to track your order status. This convenient tool gives you the freedom to check your order status at any time.

Please go to: wetstyle.ca/dealer-login/ and use the password "wet2019" to log in.

QUICK SHIP PROGRAM

1,500 SINKS including popular and frequently ordered lavatories and vessels will be READY-TO-SHIP in less than 1 week (from date of order) from our warehouse in Montreal as of November 1st, 2021. Please contact customer service to check stock: question@wetstyle.com

WETSTYLE Plug & Bathe™ overflow and drain connection system includes:

Soft-touch pop-up drain, for built-in overflow. Fits both 1 - 1/2" ABS drain waste and 1 - 1/2" tubular brass

1 - 1/2" ABS direct vertical drain waste fitting (copper/brass options also available)

1 - 1/2" ABS 90° Elbow drain waste fitting (copper/brass options also available)

IMPORTANT

All WETSTYLE tubs are equipped with our **Plug & Bathe™** overflow/drain system permitting installation completely from above without the need to open the floor from beneath; there is no need for an island drain or similar supplemental connection equipment.

FAUCET INSTALLATION

Wall-mounted, floor-mounted or column for wall or deck mounted faucet (direct deck-mounted is not possible)

WETSTYLE FLOATING SINK BRACKET SYSTEM

(OFFERED WITH OR WITHOUT DECORATIVE TRIM)

Important: Lavatory and floating sink bracket system must be ordered at the same time as the lavatory requires special preparation at the factory.

BRACKET SYSTEM ONLY

- For VC, VCM and VOV lavs (4" height)*
- No decorative trim
- Weight rating: up to 300 lbs/136 kg
- Not recommended for concrete walls

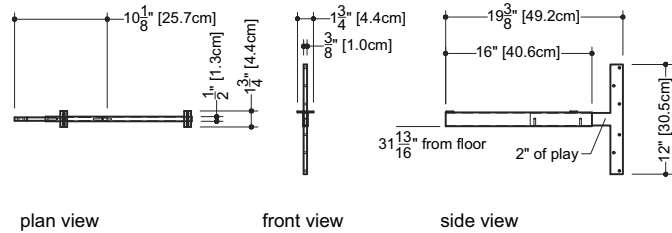

ADA-COMPLIANT

APPROXIMATE DELIVERY:

< 1 week

LENGTH	CODE	PRICE
24"-30"	WM 2422	\$380
36"-42"	WM 3622	\$380
48"	WM 4822	\$460
60"	WM 6022	\$505
72"	WM 7222	\$505

Note: WETSTYLE will supply multiple brackets according to the lavatory length (see installation guide)

* Not available with VC18, VCM18, VCM20, VC60T and VC72T

BRACKET SYSTEM + PURE STAINLESS STEEL DECORATIVE TRIM

- For VCS and VOVS lavs (2" height)
- Includes brackets system
- Weight rating: up to 300 lbs/136 kg
- Not recommended for concrete walls
- Not available with Cube Metro series lavs (VCMS), Bauhaus, LAB collection, Déco and Element lavs

ADA-COMPLIANT

STELLÉ COLLECTION

PEDESTAL – NO DOOR 15-3/4", 17-3/4" and 23-3/4" LENGTH

(400 mm, 451 mm and 603 mm LENGTH)

1 NOTES

FITS WETSTYLE LAB SQUARE COLLECTION LAVATORIES Lavatory will extend beyond the vanity by approximately 1/8" on both sides and on the front to better prevent potential water accumulation between the lavatory and the pedestal.

WOOD All natural wood finishes, may differ from sample or pictures as wood grains vary somewhat from piece to piece. This adds natural beauty and character making each made-to-order piece unique in veining, grain, pattern and color.

IMPORTANT Please indicate on your purchase order your choice of drop-in sink.

(400 mm, 451 mm and 603 mm LENGTH)

1 NOTES

FITS WETSTYLE LAB SQUARE COLLECTION LAVATORIES Lavatory will extend beyond the vanity by approximately 1/8” on both sides and on the front to better prevent potential water accumulation between the lavatory and the pedestal.

WOOD All natural wood finishes, may differ from sample or pictures as wood grains vary somewhat from piece to piece. This adds natural beauty and character making each made-to-order piece unique in veining, grain, pattern and color.

IMPORTANT Please indicate on your purchase order your choice of drop-in sink.

HANDLE Made of stainless steel with a matte black powder-coated finish.

4 SELECT METAL FINISH ex: DCO30FL-W11L21L21-MB)

For legs and drawer hand pull. Made of stainless steel

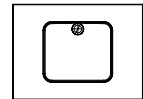

Add metal code at the end of the base code

ADD TO CODE	FINISH
-MB	Matte Black Powder Coated
-SB	Satin Brass PVD
-BR	Brushed Steel

5 INTEGRATED COUNTERTOP SELECTION SOLD SEPARATELY

REFER TO LAVATORY SECTION FOR COUNTERTOP PRICING

Lavatory and vanity must be ordered at the same time as the lavatory requires special preparation at the factory

VDCOXS 30 (Refer to p. 85)

NOTE: Approximate measurement. The manufacturer accepts 1/4" (6.35 mm) variance. WETSTYLE cannot be responsible for any technical errors and reserves the right to make revisions without notice.

DÉCO COLLECTION

VANITY 36" Floor-mount – 1 drawer

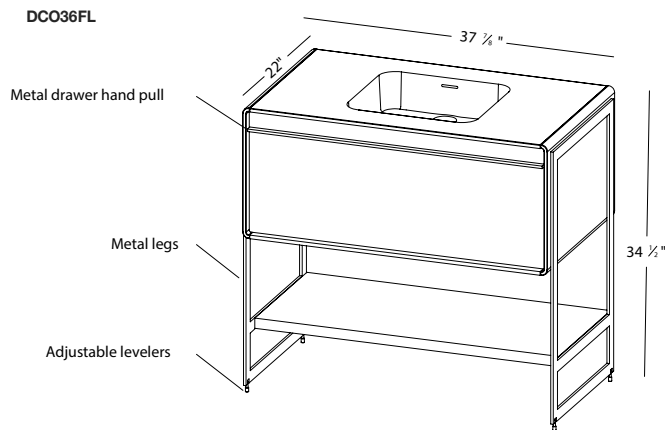

(914 mm length)

1 NOTES

THIS UNIT MUST BE SECURED TO THE WALL

WOOD: All natural wood finishes, AWI Rated 5 Finish, FSC Certified, CARB Compliant, Formaldehyde free, may differ slightly from sample or pictures as natural wood grains vary somewhat from piece to piece adding natural beauty and character making each made-to-order piece unique

IMPORTANT: Please indicate on your purchase order your choice of lavatory. Must be purchased with a WETSTYLE Deco integrated countertop (sold separately). Vessel sinks cannot be used with Deco vanities.

FEATURES

- Hand pull and legs made of solid stainless steel
- Finished interior drawers
- Slow closing ball bearing glides

4 SELECT METAL FINISH ex: DCO48-C-FL-W11L21L21-MB

For legs and drawer hand pull. Made of stainless steel

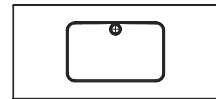

Add metal code at the end of the base code

ADD TO CODE	FINISH
-MB	Matte Black Powder Coated
-SB	Satin Brass PVD
-BR	Brushed Steel

5 INTEGRATED COUNTERTOP SELECTION SOLD SEPARATELY

REFER TO LAVATORY SECTION FOR COUNTERTOP PRICING

Lavatory and vanity must be ordered at the same time as the lavatory requires special preparation at the factory

VDCOXS 48C (Refer to p. 88)

NOTE: Approximate measurement. The manufacturer accepts 1/4" (6.35 mm) variance. WETSTYLE cannot be responsible for any technical errors and reserves the right to make revisions without notice.

DÉCO COLLECTION

VANITY 60" Floor-mount – 2 drawers

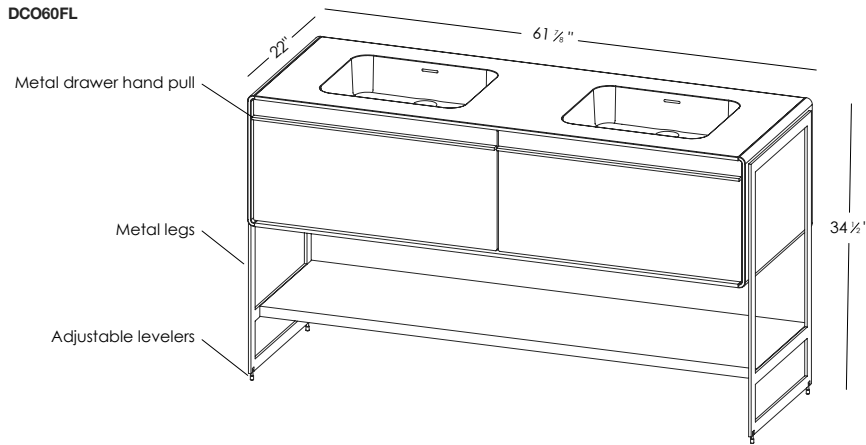

(1525 mm length)

1 NOTES

THIS UNIT MUST BE SECURED TO THE WALL

WOOD: All natural wood finishes, AWI Rated 5 Finish, FSC Certified, CARB Compliant, Formaldehyde free, may differ slightly from sample or pictures as natural wood grains vary somewhat from piece to piece adding natural beauty and character making each made-to-order piece unique

IMPORTANT: Please indicate on your purchase order your choice of lavatory. Must be purchased with a WETSTYLE Deco integrated countertop (sold separately). Vessel sinks cannot be used with Deco vanities.

FEATURES

- Hand pull and legs made of solid stainless steel
- Finished interior drawers
- Slow closing ball bearing glides

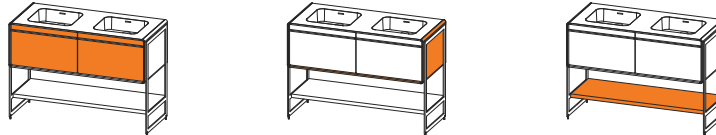

DRAWERS CONFIGURATION

APPROXIMATE DELIVERY: 4 - 6 weeks
*7 weeks for premium finishes

FREIGHT: Consult Freight Annex

5 INTEGRATED COUNTERTOP SELECTION SOLD SEPARATELY

REFER TO LAVATORY SECTION FOR COUNTERTOP PRICING

Lavatory and vanity must be ordered at the same time as the lavatory requires special preparation at the factory

VDCOXS 30 (Refer to p. 85)

NOTE: Approximate measurement. The manufacturer accepts 1/4" (6.35 mm) variance. WETSTYLE cannot be responsible for any technical errors and reserves the right to make revisions without notice.

DÉCO COLLECTION

VANITY 36" Wall-mount – 1 drawer

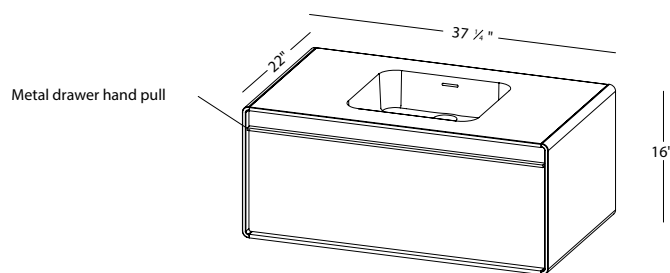

(914 mm length)

1 NOTES

WOOD: All natural wood finishes, AWI Rated 5 Finish, FSC Certified, CARB Compliant, Formaldehyde free, may differ slightly from sample or pictures as natural wood grains vary somewhat from piece to piece adding natural beauty and character making each made-to-order piece unique

IMPORTANT: Please indicate on your purchase order your choice of lavatory. Must be purchased with a WETSTYLE Deco integrated countertop (sold separately). Vessel sinks cannot be used with Deco vanities.

DCO36WM

FEATURES

- Hand pull and legs made of solid stainless steel
- Finished interior drawers
- Slow closing ball bearing glides

DRAWER CONFIGURATION

5 INTEGRATED COUNTERTOP SELECTION SOLD SEPARATELY

REFER TO LAVATORY SECTION FOR COUNTERTOP PRICING

Lavatory and vanity must be ordered at the same time as the lavatory requires special preparation at the factory

VDCOXS 48C (Refer to p. 88)

NOTE: Approximate measurement. The manufacturer accepts 1/4" (6.35 mm) variance. WETSTYLE cannot be responsible for any technical errors and reserves the right to make revisions without notice.

DÉCO COLLECTION

VANITY 60" Wall-mount – 2 drawers

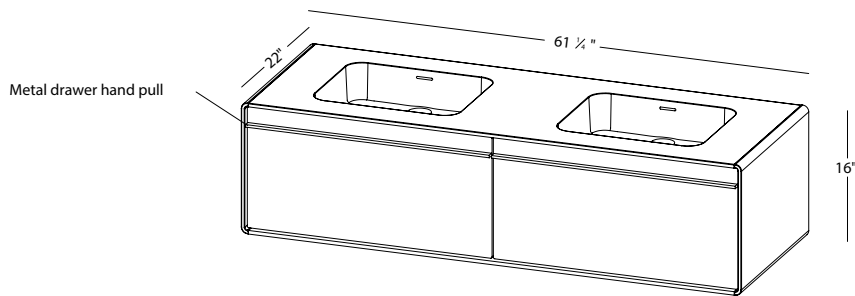

(1525 mm length)

1 NOTES

WOOD: All natural wood finishes, AWI Rated 5 Finish, FSC Certified, CARB Compliant, Formaldehyde free, may differ slightly from sample or pictures as natural wood grains vary somewhat from piece to piece adding natural beauty and character making each made-to-order piece unique

IMPORTANT: Please indicate on your purchase order your choice of lavatory. Must be purchased with a WETSTYLE Deco integrated countertop (sold separately). Vessel sinks cannot be used with Deco vanities.

DCO60WM

FEATURES

- Hand pull and legs made of solid stainless steel
- Finished interior drawers
- Slow closing ball bearing glides

DÉCO COLLECTION

MIRROR 30" height 24", 30", 36", 48" and 60" length

(609, 762, 914, 1219 and 1524 mm length)

DEPTH: 7/8" + FLOATING EFFECT (MIRROR EXTENDS 1/4" OFF THE WALL)

FEATURES

- Made of all natural solid wood and veneer
- AWI rated level 5 marine grade finish for moisture resistance
- 3mm polished edges mirror with rounded corners
- Z-clip hanging system

APPROXIMATE DELIVERY: 4 - 6 weeks

FREIGHT: Consult Freight Annex

NOTE: Approximate measurement. The manufacturer accepts 1/4" (6.35 mm) variance. WETSTYLE cannot be responsible for any technical errors and reserves the right to make revisions without notice.

FRAME LINEA COLLECTION

VANITY 24" Wall-mount – 2 drawers

(610 mm length)

1 NOTES

SPECIAL WALL PREPARATION RECOMMENDATIONS: The distance between studs should not be more than 16". Each stud must be reinforced vertically by 2" x 3" wooden studs and horizontally with 2" x 6" wooden studs at a height of 30" all along the full width of the vanity.

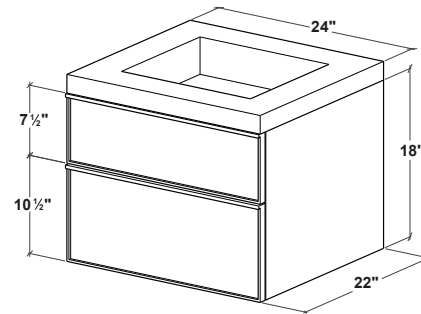

WOOD: All natural wood finishes, AWI Rated 5 Finish, FSC Certified, CARB Compliant, Formaldehyde free may differ slightly from sample or pictures as natural wood grains vary somewhat from piece to piece adding natural beauty and character making each made-to-order piece unique.

IMPORTANT: Please indicate on your purchase order your choice of lavatory. Must be purchased with a WETSTYLE integrated countertop (sold separately). Vessel sinks cannot be used with FRAME Linea vanities without a countertop. Lavatory will extend beyond the vanity by approximately 1/8" on both sides to better prevent potential water accumulation between the lavatory and the vanity.

3 OPTIONAL GLASS INSERTS FOR DRAWER FACADES

Not available on this model

4 INTEGRATED COUNTERTOP SELECTION (sold separately)

REFER TO LAVATORY SECTION FOR COUNTERTOP PRICING

Lavatory and vanity must be ordered at the same time as the lavatory requires special preparation at the factory

VCS 42 / VC 42 (p. 60)

5 ACCESSORY & SUGGESTED COMPLEMENTS

FRAME Linea Mirrored Cabinet	p. 214
M Towel Holder	p. 280
FRAME Linea Linen Cabinet	p. 207

NOTE: Approximate measurement. The manufacturer accepts 1/4" (6.35 mm) variance. WETSTYLE cannot be responsible for any technical errors and reserves the right to make revisions without notice.

FRAME LINEA COLLECTION

VANITY 48" Wall-mount – 4 drawers – FOR DÉCO DOUBLE BASIN

(1220 mm length)

1 NOTES

SPECIAL WALL PREPARATION RECOMMENDATIONS: The distance between studs should not be more than 16". Each stud must be reinforced vertically by 2" x 3" wooden studs and horizontally with 2" x 6" wooden studs at a height of 30" all along the full width of the vanity.

WOOD: All natural wood finishes, AWI Rated 5 Finish, FSC Certified, CARB Compliant, Formaldehyde free may differ slightly from sample or pictures as natural wood grains vary somewhat from piece to piece adding natural beauty and character making each made-to-order piece unique.

IMPORTANT: Please indicate on your purchase order your choice of lavatory. Must be purchased with a WETSTYLE integrated countertop (sold separately). Vessel sinks cannot be used with FRAME Linea vanities without a countertop. Lavatory will extend beyond the vanity by approximately 1/8" on both sides to better prevent potential water accumulation between the lavatory and the vanity.

FRAME LINEA COLLECTION

VANITY 72" Wall-mount – 4 drawers – FOR TROUGH SINK

(1829 mm length)

1 NOTES

SPECIAL WALL PREPARATION RECOMMENDATIONS: The distance between studs should not be more than 16". Each stud must be reinforced vertically by 2" x 3" wooden studs and horizontally with 2" x 6" wooden studs at a height of 30" all along the full width of the vanity.

WOOD: All natural wood finishes, AWI Rated 5 Finish, FSC Certified, CARB Compliant, Formaldehyde free may differ slightly from sample or pictures as natural wood grains vary somewhat from piece to piece adding natural beauty and character making each made-to-order piece unique.

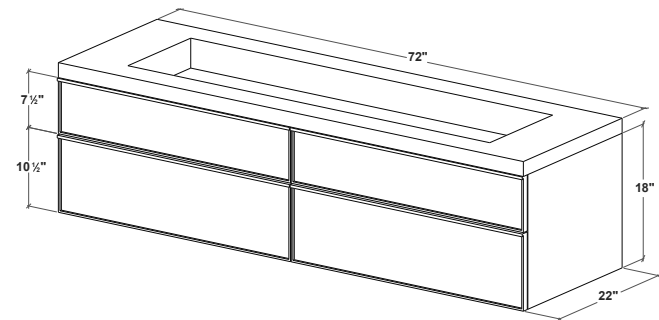

IMPORTANT: Please indicate on your purchase order your choice of lavatory. Must be purchased with a WETSTYLE integrated countertop (sold separately). Vessel sinks cannot be used with FRAME Linea vanities without a countertop. Lavatory will extend beyond the vanity by approximately 1/8" on both sides to better prevent potential water accumulation between the lavatory and the vanity.

ELEMENT RAFFINÉ COLLECTION

VANITY 24", 30", 36" & 39" Wall-mount – 1 drawer + 1 inner drawer

(610, 762, 915 and 991 mm length)

1 NOTES

SPECIAL WALL PREPARATION RECOMMENDATIONS: The distance between studs should not be more than 16". Each stud must be reinforced vertically by 2" x 3" wooden studs and horizontally with 2" x 6" wooden studs at a height of 30" all along the full width of the vanity.

WOOD: All natural wood finishes, AWI Rated 5 Finish, FSC Certified, CARB Compliant, Formaldehyde free, may differ slightly from sample or pictures as natural wood grains vary somewhat from piece to piece adding natural beauty and character making each made-to-order piece unique.

M COLLECTION

VANITY 10" height Wall-mount – 1 drawer 24" and 30"

(610 and 762 mm length)

1 NOTES

TO FIT LAVATORIES AND VESSEL SINKS FROM THE VARIOUS WETSTYLE COLLECTIONS

- Lavatory will extend beyond the vanity by approximately 1/8" on both sides and on the front to better prevent potential water accumulation between the lavatory and the vanity.
- Important: Match only rear drain lavatories and vessel sinks.

SPECIAL WALL PREPARATION RECOMMENDATIONS: The distance between studs should not be more than 16". Each stud must be reinforced vertically by 2" x 3" wooden studs and horizontally with 2" x 6" wooden studs at a height of 30" all along the full width of the vanity.

WOOD: All natural wood finishes, may differ from sample or pictures as wood grains vary somewhat from piece to piece. This adds natural beauty and character making each made-to-order piece unique in veining, grain, pattern and color.

IMPORTANT: Please indicate on your purchase order your choice of lavatory or vessel sink.

†This finish should only be ordered with a lavatory (vessel sink not recommended)

3 INTEGRATED COUNTERTOP SELECTION (sold separately)

Choose your lavatory using the adjoining page.

4 OPTIONAL PRE-CUT

Vanity is delivered with top fully finished. To accommodate a VCS or VOVS series lavatory, the top will have to be cut on jobsite. Should you choose to have the vanity pre-cut at the factory, you must indicate in the product description:

"Pre-cut for lavatory model #_____".

EXAMPLE: if ordering a M2410WM-11, indicate
"Pre-cut for lavatory model #VCS24".

WETSTYLE will not pre-cut for vessel sinks or sinks and washbasins provided by third parties and will not pre-cut unless specified as above.

5 ACCESSORY

Due to the horseshoe cut drawers, the 24" and 30" vanities cannot accommodate a drawer divider.

6 OPTION

Decorative round style bottle trap

p.316

APPROXIMATE DELIVERY: 4 weeks - *6 weeks for premium finishes

FREIGHT: Consult Freight Annex

NOTE: Approximate measurement. The manufacturer accepts 1/4" (6.35 mm) variance. WETSTYLE cannot be responsible for any technical errors and reserves the right to make revisions without notice.

†This finish should only be ordered with a lavatory (vessel sink not recommended)

3 INTEGRATED COUNTERTOP SELECTION (sold separately)

Choose your lavatory using the adjoining page.

4 OPTIONAL PRE-CUT

Vanity is delivered with top fully finished. To accommodate a VCS or VOVS series lavatory, the top will have to be cut on jobsite. Should you choose to have the vanity pre-cut at the factory, you must indicate in the product description:

"Pre-cut for lavatory model #_____".

EXAMPLE: if ordering a M2418WM-11, indicate "Pre-cut for lavatory model #VCS24".

WETSTYLE will not pre-cut for vessel sinks or sinks and washbasins provided by third parties and will not pre-cut unless specified as above.

5 ACCESSORY

24" and 30" models have horseshoe drawers and therefore cannot accommodate drawer dividers.

6 OPTION

Decorative round style bottle trap

p.316

APPROXIMATE DELIVERY: 4 weeks - *6 weeks for premium finishes

FREIGHT: Consult Freight Annex

NOTE: Approximate measurement. The manufacturer accepts 1/4" (6.35 mm) variance. WETSTYLE cannot be responsible for any technical errors and reserves the right to make revisions without notice.

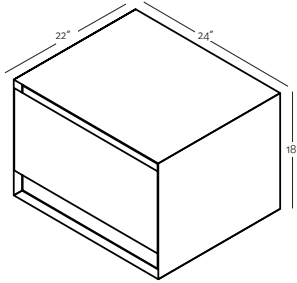

M COLLECTION

VANITY 18" height Wall-mount – 1 drawer 36" and 42"

(914 and 1069 mm length)

1 NOTES

TO FIT LAVATORIES AND VESSEL SINKS FROM THE VARIOUS WETSTYLE COLLECTIONS

- Lavatory will extend beyond the vanity by approximately 1/8" on both sides and on the front to better prevent potential water accumulation between the lavatory and the vanity.
- Important: Match only rear drain lavatories and vessel sinks.

SPECIAL WALL PREPARATION RECOMMENDATIONS: The distance between studs should not be more than 16". Each stud must be reinforced vertically by 2" x 3" wooden studs and horizontally with 2" x 6" wooden studs at a height of 30" all along the full width of the vanity.

WOOD: All natural wood finishes, may differ from sample or pictures as wood grains vary somewhat from piece to piece. This adds natural beauty and character making each made-to-order piece unique in veining, grain, pattern and color.

IMPORTANT: Please indicate on your purchase order your choice of lavatory or vessel sink.

M COLLECTION METRO SERIES

VANITY 10" height Wall-mount – 1 drawer 18" and 20" length (457 and 508 mm length)

1 NOTES

FITS WETSTYLE VESSEL SINKS AND CUBE COLLECTION METRO SERIES LAVATORIES

- Match only rear drain lavatory and rear drain vessel sinks
- Lavatory will extend beyond the vanity by approximately 1/8" on both sides and on the front to better prevent potential water accumulation between the lavatory and the vanity.

DRAWER: all models have a horseshoe drawer

SPECIAL WALL PREPARATION RECOMMENDATIONS:

- The distance between studs should not exceed 16". Each stud must be reinforced vertically by 2" x 3" wooden studs and horizontally with 2" x 6" wooden studs at a height of 30" all along the width of the vanity.

WOOD: All natural wood finishes, may differ from sample or pictures as wood grains vary somewhat from piece to piece.

This adds natural beauty and character making each made-to-order piece unique in veining, grain, pattern and color.

IMPORTANT: Please indicate on your purchase order your choice of lavatory or vessel sink.

[†]This finish should only be ordered with a lavatory (vessel sink not recommended)

3 INTEGRATED COUNTERTOP SELECTION (sold separately)

Choose your lavatory using the adjoining page.

4 OPTIONAL PRE-CUT

Vanity is delivered with top fully finished. To accommodate a VCMS series lavatory, the top will have to be cut on jobsite. Should you choose to have the vanity pre-cut at the factory, you must indicate in the product description:

"Pre-cut for lavatory model #_____".

EXAMPLE: if ordering a MM2418WM-11, indicate "Pre-cut for lavatory model #VCMS24".

WETSTYLE will not pre-cut for vessel sinks or sinks and washbasins provided by third parties and will not pre-cut unless specified as above.

NOTE: Approximate measurement. The manufacturer accepts 1/4" (6.35 mm) variance. WETSTYLE cannot be responsible for any technical errors and reserves the right to make revisions without notice.

5 OPTION

Decorative round style bottle trap

p.316

APPROXIMATE DELIVERY: 4 weeks - *6 weeks for premium finishes

3 SINK COMPATIBILITY

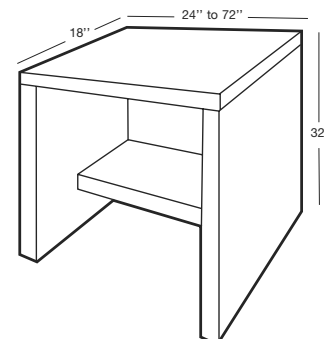

See compatibility chart (p. 294-295)

APPROXIMATE DELIVERY: 4 weeks - *6 weeks for premium finishes

FREIGHT: Consult Freight Annex

F COLLECTION

NOTE: Approximate measurement. The manufacturer accepts 1/4" (6.35 mm) variance. WETSTYLE cannot be responsible for any technical errors and reserves the right to make revisions without notice.

F COLLECTION

24" DEPTH 2 drawers 24" to 36" length

(610 to 914 mm length)

1 NOTES

FOR REAR DRAIN LAVATORY COMBINATIONS (CUBE AND OVE COLLECTIONS)

WOOD: All natural wood finishes, may differ from sample or pictures as wood grains vary somewhat from piece to piece. This adds natural beauty and character making each made-to-order piece unique in veining, grain, pattern and color.

Important: Please indicate on your purchase order your choice of lavatory

SALES CONDITIONS

Prices in effect as of March 28, 2022. Prices are subject to change without notice.

PAYMENT TERMS

Net 30 days from the invoice date, no discount for cash payment. **WETSTYLE** reserves the right to apply monthly administration charges of 2% (24% per year) and discontinue shipping to overdue accounts.

SHIPPING

All shipping is FOB from our plant in Montreal, Quebec, Canada. Returned Goods Authorization (RGA): damaged merchandise

UPON DELIVERY

It is imperative that if you see any obvious damage to the packaging, please remove the packaging while the freight company is present in order to verify that the item inside is in good condition.

Please immediately inspect for damage and write a description of any damage found on the bill of lading. Ask the shipping company to sign and confirm the damage. If your company signs for the shipment without indicating any damage, you will be automatically releasing the shipping company and **WETSTYLE** from any liability.

Please note that if you receive and sign your bill of lading stating that the merchandise was received in good condition, you will automatically assume liability for the merchandise and its condition.

Please note that upon delivery there is a window of 48 hours to notify **WETSTYLE** of any damage. **WETSTYLE** will not incur responsibility for damages reported after this 48-hour period. The **WETSTYLE** warranty does not cover accidents or damage incurred during shipping and storage after delivery by **WETSTYLE** nor does it extend to products sold by unauthorized **WETSTYLE** distributors or products sold over the Internet.

WETSTYLE cannot be held responsible after delivery. Our warranty does not cover additional shipping, storage and/or accidents.

PROCEDURES

For all claims, without exception, we require photographs. Please make sure that all pictures submitted clearly show the damage or defects in order for us to determine the best possible way to resolve the situation. It is important that these pictures be taken within a reasonable timeframe in order for us to be able to help all the parties involved. Please use a digital camera and send the pictures by email to service@wetstyle.ca. This will significantly expedite the process.

WETSTYLE will then make the most effective suggestion for resolving the damage claim. If a replacement is necessary, it will be handled as a priority. If a return is requested, a written RGA must be issued by **WETSTYLE**.

If the conditions stipulated above are not respected, **WETSTYLE** reserves the right to refuse claims and/or return requests.

An RGA number for any accepted return of merchandise is compulsory at all times and will be confirmed by the **WETSTYLE** customer service department. Any merchandise returned without written authorization from **WETSTYLE** will be refused upon receipt and shipped back at your expense.

ORDER ERROR

UPON DELIVERY / MANUFACTURER'S ERROR

Upon receipt of your notice of a discrepancy, for any order or shipping error on **WETSTYLE**'s part, we will immediately correct it and will assume the transport cost for the shipment or return of the merchandise. The customer will not be charged any handling fees. An RGA will be issued if the incorrect merchandise is to be returned.

An RGA number for any accepted return of merchandise is compulsory at all times and will be confirmed by the **WETSTYLE** customer service department. Any merchandise returned without written authorization from **WETSTYLE** will be refused upon receipt and shipped back at your expense.

Items must be well packaged, with the packaging material supplied by **WETSTYLE**, and must be received in perfect condition. Should the package arrive damaged, no credit will be issued.

All RGA's will be valid for a 60-day period.

DEALER AND CUSTOMER'S ERROR

For any order or shipping error on the part of the customer, **WETSTYLE** reserves the right to refuse any return request. Furniture is not returnable unless **Wetstyle's** error. Pre-drilled bathtubs and lavatories are not returnable. Should a request be authorized, an RGA will be issued and the following conditions will apply:

An RGA number for any accepted return of merchandise is compulsory at all times and will be confirmed by the **WETSTYLE** customer service department. Any merchandise returned without written authorization from **WETSTYLE** will be refused upon receipt and shipped back at your expense.

Items must be well packaged, with the packaging material supplied by **WETSTYLE**, and must be received in perfect condition. Should the package arrive damaged, no credit will be issued. It will be up to the customer to file a claim with the freight company. Sender must assume all responsibility for shipping damages that may occur.

Repackaging, transport charges and custom fees (if applicable) are to be assumed by the customer and a 30% restocking fee will apply. All RGAs will be valid for a 60-day period. Credit will not be issued until merchandise is received in good condition.

In case of dispute, the applicable judicial district is Montreal, Quebec, Canada.

NOTE: Approximate measurement. The manufacturer accepts 1/4" (6.35 mm) variance. **WETSTYLE** cannot be responsible for any technical errors and reserves the right to make revisions without notice.

WARRANTY

WETSTYLE's warranty on WETMAR BiO™ products covers all defects in materials and manufacturing for a period of five years.

WETSTYLE's warranty on furniture and accessories covers all defects in materials and manufacturing for a period of one year.

This limited warranty, starting on the original purchase date, is only offered to the original purchaser who acquires the product directly from WETSTYLE or from its authorized dealers.

This limited warranty does not apply to cases in which a product was incorrectly installed, nor to damage due to negligence, misuse, thermal shock, cigarette burn, fire, natural disasters or other accidents.

This limited warranty does not extend to products purchased over the Internet from unauthorized WETSTYLE distributors.

This limited warranty does not extend to products purchased from an authorized WETSTYLE distributors or sub-dealers.

WETSTYLE is not responsible for costs and claims that may arise from purchase of a product unsuited to the structure of the existing building.

Any transformation or alteration made to a WETSTYLE product automatically voids the warranty.

The manufacturer's warranty is limited to repair or replacement (with a product of equal value), provided the claim is made to an authorized dealer or directly to WETSTYLE within the warranty period. Labour costs and any other expenses entailed by replacement of a WETSTYLE product are not covered by the warranty.

WETSTYLE products are certified CSA B45.0, CSA B45.4, ANSI Z124.1 and ANSI A124.3.
