

I AM A JEM

What is a JEM?

- a precious stone/ jewel, especially when polished
- Valuing the beauty of the person

Why are we called JEMS?

I liked JEMS because my business ultimately represents me. With my name being Jade which is a stone I see myself as a precious jewel. Someone valued. I am using JEMS for my students because I want you to know you are beautiful. I want you to know I value your beauty. I want you to learn and continue to grow beautifully into the best dancer and best version of yourself that you can be. I want to help build your confidence on and off the stage and help you understand that anything is possible if you put your mind to it and work hard.
