### Happy Black History Month!

February honors Black Excellence and Love! ***Tiny Tots in Tiaras and Tuxedos*** celebrates both with the story of an African American woman entrepreneur and the heartwarming love story of high school sweethearts, Kermit and Augustus Hill. With the push across the nation to erase Black History, it's critical to share stories that uplift African Americans' contributions to society.

#### Latest News on *Tiny Tots in Tiaras and Tuxedos*

My biggest news is the remarkable 90% off *Tiny Tots in Tiaras and Tuxedos* on Kindle starting tomorrow (2/24)! It's the perfect time to read on the go or gift copies to friends and family using Amazon's "Buy for others" feature. **NOTE:** The price increases for 6 days before returning to \$9.99.

I'm also excited to visit my hometown this spring. If you're in **St. Louis** on April 30 or May 2, I'd love to see you at one—or both—of my author talks. I hope several **Tiny Tot Alum** will join me at the Meet & Greet Reception on 5/2 following the Barnes & Noble reading. Please **RSVP** at [TinyTotBook.com](http://TinyTotBook.com) to save your spot.

My learning curve as a new author continues. I've discovered that many book festival deadlines for this year were actually in 2025—and just this weekend I realized I missed the August Martha's Vineyard Black Book Festival deadline by two weeks! I'm getting a great education of my new #authorlife!

**Thank you for your support!**
