A Dream Comes True!

The last few days have been a whirlwind! On Halloween, I opened a package that took my breath away — my mother's legacy, ***Tiny Tots in Tiaras and Tuxedos***, finally in my hands in both hardcover and paperback! Since then, I've seen **Kermit B. Hill's** remarkable story appear on Barnes & Noble, Apple Books, and (drum roll, please)... **Amazon!**

It's been an incredible journey bringing her story to life, and I'm so grateful to God for bringing me here. I also want to thank all of you who believed in this dream — especially those who've already preordered. Your support truly means the world.

If you haven't yet, please take a moment to buy, review, or share Tiny Tots in Tiaras and Tuxedos— every click, post, and kind word helps keep Kermit's legacy shining bright.

Latest News on *Tiny Tots in Tiaras and Tuxedos*

I can hardly believe it — the launch of *Tiny Tots in Tiaras and Tuxedos* is finally here!

All those "challenging" moments of editing, formatting, and publishing were worth it the instant I held the finished book in my hands.

While the book was in production, I reached out to media outlets across D.C., St. Louis, and Little Rock — my mother's hometown — and shared announcements with organizations like Jack and Jill, Annie Malone, my parents' Dunbar Alumni Association, and my own Smith College. I also contacted bookstores and libraries to stock the book and host events — and even seized the rare chance to recommend it to **Oprah's Book Club**.

Any help spreading the word for this grassroots campaign means so much. A full press kit is available at TinyTotBook.com, ready to download and share with your local media or groups.

I'm so glad you're here to celebrate this milestone with me!

The Wait Is Over!

On November 1, I shared my excitement over receiving my author copies of ***Tiny Tots in Tiaras and Tuxedos: The Life, Love, and Business Success of Kermit B. Hill***. I can't wait for you to experience it too! It's available for preorder wherever books are sold, but only TinyTotBook.com offers an exclusive 15% discount, early shipping, and a sneak peek at the opening pages.

Please help spread the word by **posting an early review** on book outlets to generate buzz before the official release.

Thank you for helping this story reach more readers!
