

# The Quantum Taxi Resource Pack

We are excited to share this Book Resource Pack with you and your child! Designed to support reading engagement and learning at home, this pack includes a range of activities to accompany the exploration of 'The Quantum Taxi'. Each activity supports a different area of learning and development, helping to make reading both fun and meaningful.

Here's a quick overview of what's inside and how they can benefit your child:

**Word Search** - A fun way to reinforce new vocabulary from the story, improving spelling, concentration, and word recognition.

**Drawing Prompt** - Encourages creativity and visual thinking, helping your child to make personal connections to the text and explore characters or settings in more depth.

**Writing Prompt** Builds on imagination and writing skills by inviting your child to develop ideas related to the story. This helps deepen understanding of plot, character and theme, while practising sentence structure and language use.

**Vocabulary Help** - Supports your child in understanding key words from the book. Talking about these words at home can boost confidence in reading and encourage more precise use of language in writing and conversation.

**Comprehension** - Completed either through discussion or writing, helping your child to practise retrieving information, making inferences, and expressing opinions. Talking about the book together is a great way to build understanding and enjoyment.
