

Hello!

We are beyond excited to extend an invitation to you and/or your group to participate in the 2024 Windmill Days Parade. This year we will be **Celebrating Through the Decades** as we honor the 150th Anniversary of the Village of Baldwin!

The Windmill Days parade is always the second full weekend after Memorial Day weekend, which makes this year's parade on **Saturday June 8, 2024 at 12 noon**. Awards will be given for Best Visiting Royalty, Best Theme Incorporation, and Crowd Favorite which will occur in the main tent shortly after the parade.

Attached you will find a copy of our parade expectations and a parade registration form. Windmill Days parade entries have increased year to year and we ask that you have your form emailed or mailed to us no later than **May 17, 2024**. You may also enter online at www.windmilledays.com. Any entries received after May 17th are **not guaranteed placement** in the parade and/or will be placed where there is an opening. Please make any special lineup requests at the time of registration so we can try to fulfill your needs. All parade participants will receive a registration confirmation letter with lineup information and other instructions approximately 7-10 days before the parade via email. Please make sure to indicate on the form whether your float/unit will have music; we will do our best to spread out the music.

We look forward to seeing you this year and invite you to stay after the parade celebrating the 150th Anniversary of the Village of Baldwin with Windmill Days **Celebrating Through the Decades**.

Thank you in advance for making our Windmill Days parade a success!

Sincerely,
Natalie Lukes, Chad & Angie Chandler
Windmill Days Parade Committee

Note to Royalty:

The Queens Tea will be held following the parade; invitations will be sent separately. For Queens Tea RSVPs and any inquiries in regards to Royalty events, please send those to baldwinroyalty72@gmail.com.

However, please note all parade confirmations send as directed on registration form (parade@windmilledays.com).
