BOYNTON BEACH ARTS & CULTURAL CENTER

Welcome to the Black Leadership Summit 2023

On behalf of the BOLD Foundation Executive Board, I would like to welcome you to the Black Leadership Summit, in my hometown and beautiful Boynton Beach, Florida! Please be patient and flexible as we embark on our first-time Leadership Summit. The hashtag for this event is #BLSPBC.

We ask that you lean in, stretch, and be open to all of the possibilities around you to make a positive impact in your communities. This event is all about supporting, educating, and empowering leaders. To our youth, you too! Our children are leaders of today not only the future.

We know there is not enough time in the day to squeeze in the breakout sessions, panels, and keynote, and we are confident that there will be of opportunities for all of us to learn, share, and celebrate the journey to the next level, whether professional or personal. We are asking you to connect with new people, engage with the presenters, and find new inspiration to learn and grow. You never know who is in the room and what opportunities may have your name on them. Engage during the panel discussion, attend the breakout session, and join the Awards Luncheon.

I am entirely grateful that you choose to be a part of this event. Thank you for your time, support, and your willingness to build opportunities for leaders daily!
Thank you!

With All the Best!
