Meet the Carriacou
Cares Team

President

L. Roger Lawrence is a US military veteran and Security Specialist with 20+ years of experience in civil and federal government providing technical expertise for information, physical, personnel, industrial, cyber security, law enforcement programs and functions. He is a motivated leader with extensive experience in countermeasure implementation, planning, policy processes, and design. He is a first-generation United Kingdom born descendant of family members born and raised on the Caribbean Island of Carriacou, Grenada West Indies. He has decided to dedicate some of his time and expertise to Carriacou Cares to assist those who are in need of the organization's assistance.

Vice President

After a long career in Finance working in both law firms and government contractors, Scott Lawrence has transitioned his career into the field of Criminal Justice and Public Safety. He is a highly-motivated, team-player with 20+ years of experience in Finance. He is also a first responder with 12 years of 911 medical response, crisis management, emergency/contingency plans and threat assessment experience. Working with the public and effecting positive change in the community is what Scott is truly most passionate about.

Scott was born in Huddersfield, England to parents who were born and raised on the island of Carriacou, Grenada, West Indies. Scott is very proud of his Caribbean heritage and looks forward to giving back to the island of Carriacou and the Caribbean as a whole.

Executive Director and Treasurer

Kevin Lawrence is a Business Specialist with 20+ years of experience working as an accountant, business developer and educator; within corporate banking, brokerage firms, and government industries. He is a first generation, American-born descendant of family members born and raised on the island of Carriacou, Grenada West Indies. It is his desire and goal to provide the residents and families of his heritage, with the much needed resources and services that they are in desperate need of, in order to help their development and future progression in today's global village.

Executive Director of Policy and Compliance

Chris Cox is a military veteran with 15+ years of experience in the field of Information Technology and Cybersecurity, with specialized experience in information sharing, policy development, and planning synchronization. He was born on the island of Carriacou, Grenada and migrated to the United States at the age of nine. Being born of this heritage has taught him that it takes a village to raise a child and that involvement in the community is key to progression. As a result, he has decided to dedicate time and effort to the Carriacou Cares organization in hopes that his contribution will provide opportunities for the Carriacou community.

Director of Special Initiatives

Winston Jaffier is an IT Professional with 20+ years of experience in the corporate and consumer banking industry as a software developer and providing expertise and guidance in Application Lifecycle Management (ALM) and DevOps enablement for development organizations globally.

Winston was born in Huddersfield, England to parents who were born and raised on the island of Carriacou, Grenada, West Indies. He looks forward to giving back to the Carricacou community and providing service through innovative strategies.
