

## TOWN OF MAIDEN ROCK COMPREHENSIVE PLAN REVIEW COMMITTEE

Minutes of March 2, 2026

The Comprehensive Plan Review Committee met at the Maiden Rock Town Hall on March 2, 2026. Chair Carl Nelson called the meeting to order at 6:30 p.m. Present for the meeting were members Carl Nelson, Maryanne Wise, Randy Erickson, Chris Martin, Doug Sjostrom, and Will Bohrsen. Also present was Ken Harwood, Mississippi River Regional Plan Commission. The meeting was properly posted by Randy in advance. Minutes for this meeting are being recorded by Will Bohrsen.

The Pledge of Allegiance was recited. On a motion by Randy, seconded by Chris, minutes of the February 2, 2026 and were unanimously approved.

The committee is reviewing the feedback from the group on the proposed language in the comprehensive plan. Ken walked the group through each category, some language was modified, other parts removed.

Ken stressed the need to adopt township powers, Maryanne said she would reach out to Jerry to ask about this and some other information related to the planning group.

We stopped revising the section on "Proposed Economic Development Goals", due to time.

Ken mentioned that a meeting to review the comprehensive plan goals with local service organizations and the village of Maiden Rock should be set to determine if we've missed anything in the draft plan, before it's finalized. We did not determine when that meeting should happen or exactly who would be invited to that session.

The planning committee will meet again on Monday, March 30th at 6:30pm to finish the goals document.

A brief presentation of the draft goals will be presented at a public meeting following the Township annual meeting Tuesday, April 21st. Carl will share the information so that Ken doesn't need to drive down.

Our next meeting will be Monday, March 30th, 2026 at 6:30pm. On a motion by Randy, seconded by Carl(and others!), and our meeting was adjourned at 8:20pm.

Respectfully submitted, Will Bohrsen
