☀️ Great to connect with you. We have a great testimonial group. This is the best way for me to show you what this is doing for people besides just me. 😊 Go ahead and ask to join this group so I can tag you in a few posts that will be helpful to see what people's experiences are. It may take a few minutes to be approved by the admin of the group. I'd love to hear more about your goals and where you'd like to see improvement. Sleep Energy Mood Stress Physical discomfort Hair,skin and nails Weight management Overall wellness.0

3-Invite Directly From Group

I also invite them directly from the group. That way they're linked to me. I will get a notification when I accept the invite.

4- Tag

I tag them in 3 posts to get them started.

Bonus Hack

When they are brand new to the group you can use this hack to tag them

Put the @ symbol before their name and type their name with no spaces

Example

@marysmith

This will allow you to tag a new group member.

5- 3 Tags

1- Tag them in a welcome post Welcome! This group is an excellent source of information.

Take a look around and I will tag you in a few great posts to get you started...and of course, I am available to answer any questions. Enjoy! 😊☀️

2- In my own testimonial

This has been my experience so far on the gel.

3- another post that I feel they will identify with

6-Immediately Back to messenger
