THE FLAME

Rev. Malcolm Monroe, Pastor

FROM THE
PASTOR

On the first Sunday of July, Teresa and I will begin our fourth year in Crockett. I know that the fireworks on the 4th of July will mark the 243rd birthday of our nation but we will also be celebrating the beginning of another year of ministry with and to this wonderful congregation and community. We are blessed to be your parsonage family.

180 years ago, a number of people who felt the amazing, transforming love and grace of Jesus Christ committed themselves to establishing a place where they could worship together and invite others to know this love and peace of lives lived with Christ's grace. These people formed a small Methodist church. It grew through the strong commitment of those individuals and all who followed them. This growth came because their love of Christ came first in their lives. They lived their faith and practiced what they believed. Their support of their faith family depended not on the preacher but on their relationship with Jesus. They served because they too found their sense of faith best served by serving. They blessed others because they had been blessed. They sowed faith seeds for the future and we are here today because they were so committed. May those who follow us also find us to have been as faithful as those who came before us. See ya Sunday! Blessings, Pastor Malcolm
