

IMPORTANT MESSAGE FROM DOL

Dear NTEU Chapter 193 Members:

We want to inform you that the DOL-supervised election process has begun. As a result, the DOL has asked us to limit open communication via social media (WhatsApp, Facebook, and Instagram) to protect the integrity of the election process. During the supervised election period, the ability to post, reply, and comment will be restricted to designated administrators. WhatsApp will continue to be used to transmit official union communications as well as important election information.

For the time being and until further notice, communications requesting any member specific assistance should be channeled through official channels (Teams, email, individual messages to official phone numbers).

We understand the ease and convenience of communicating through these chats, as they allow us to inform each other or report situations collectively and directly. However, we have a shared responsibility to protect the election process for everyone.

If you need an appointment or personal assistance, please contact Luis J. Cortés, Chief Steward, via Teams, email, or phone. Additionally, you can contact us via messages at the following contacts:

Chapter email:
nteupr193@gmail.com

Chapter President:
787-629-3939

Chief Steward:
787-779-9193

Chapter Office Numbers:
787-688-1230
787-931-4793

Respectfully,

Communications Committee
NTEU Chapter 193
