Hydraulic lift
Double Action™
Mixer*

The Leland Southwest Double Action™ Hydraulic Mixer lets you decide how high to dump your product. With three convenient levels you select, the tank will automatically dump into any meat truck or hopper. A new stand and a lower tank make loading quicker and easier. As always, our unique Double Action™ paddle design gives you a gentle, even blend, quickly and consistently.

Since customers count on our Double Action Mixers to be trouble-free and long-lived, we deliver by setting the industry standard in both quality and safety. Models are **USDA**- approved and use **UL**-approved components and made in the United States. For a new lift in profitability, call Leland Southwest today, (817) 232-4482.
