Honoring a Life, and Helping the World Appreciate Autism

## Travis Lindsay Memorial Scholarship-2022

APPLICATION DEADLINE- Postmarked by May 2, 2022

### INTRODUCTION

Our son, Travis Lindsay, was a graduate of Chowchilla High School, class of 2011. We were not aware that Travis might be Autistic until he was in the 4th grade, and he was not officially diagnosed with Autism Spectrum Disorder until the 8<sup>th</sup> grade. Travis did not keep it a secret that he was Autistic, but it wasn't usually the first thing people knew about him. Travis was just Travis, smart, funny and loving. While ASD presents its own challenges, Travis never let it stop him. Travis' passion for technology was a natural fit for his abilities. He was pursuing a career in Computer Networking.

After his passing on March 8, 2017, Travis' family and friends came together to fund this scholarship in hopes to bless others. It will be awarded every year in the honor of his memory. We have awarded eleven scholarships to eleven wonderful students thus far.
