

ESG Questionnaire — Manufacturing

A targeted ESG assessment tool for industrial manufacturers to evaluate environmental impact, workforce practices, and governance structures.

ENVIRONMENTAL

SOCIAL

GOVERNANCE

Purpose: This questionnaire is designed for manufacturing organizations seeking to benchmark ESG performance and identify priority areas for improvement. This questionnaire contains **top 5 priority questions per ESG pillar** (15 total) carefully selected for the **Manufacturing** sector. Completing this helps generate a tailored ESG report for your organization.

ENVIRONMENTAL

E - Q1

What is your organization's total annual greenhouse gas (GHG) emissions (Scope 1, 2, and 3) in tonnes of CO₂e, and do you have a reduction target?

Your answer here...

E - Q2

Rate your level of implementation of an energy management system (e.g., ISO 50001) to track and reduce energy consumption on the production floor.

Rate 1 (None) → 5 (Fully Implemented)

1 2 3 4 5

E - Q3

Does your facility measure, report, and actively manage industrial wastewater and solid waste generated during the manufacturing process?

Yes No In Progress

E - Q4

What percentage of raw materials sourced are certified sustainable, recycled, or bio-based, and what is your circular economy strategy?

Your answer here...

E - Q5

Which of the following environmental certifications or programs does your facility currently hold or pursue?

- ISO 14001 Environmental Management
 Carbon Neutral / Net Zero Certification
 LEED Building Certification
 Responsible Minerals Initiative (RMI)
 None currently

SOCIAL

S - Q1

What is your Total Recordable Incident Rate (TRIR) over the last 12 months, and what safety programs are in place?

Your answer here...

S - Q2

Does your organization conduct regular supplier audits to assess labour standards, human rights compliance, and child/forced labour risks?

Yes No In Progress

S - Q3

Rate your organization's commitment to workforce diversity, equity, and inclusion (DEI), including leadership representation of women and minorities.

Rate 1 (None) → 5 (Fully Implemented)

1 2 3 4 5

S - Q4
