The Turkey Trot began in 2005 as a way to get an early workout in, before helping my wife prepare for Thanksgiving Day with our family. What started with a group of 7 friends has grown into an Awesome Turkey Trot annual event. Now, together with other athletes, volunteers, and sponsors, we raise funds that will benefit our Jackson Community.

Your generosity will change many lives.

Without your support, we could not put on an event of this size. YOU Make it ALL Possible. THANK YOU!
