- This document is an agreement between Great Plains Frenchies, LLC (referred to as seller from here on out) **BUYER** (referred to buyer from here on out) for the seller to hold a puppy of the buyers choice until the puppy reaches 8 weeks of age.
- A non-refundable deposit in the amount of **\$0** was paid to the buyer to reserve one puppy on **DATE** with the buyers intent to pay the remaining balance and take ownership of the puppy by the following agreed upon dates: No earlier than **DATE** and no later than **DATE**, for a total cost of **\$0**.
- If the total cost is not paid in full by the agreed upon dates, or if the buyer does not pick up the puppy by the agreed upon dates, any payments made, and the puppy will be forfeited by the buyer and the hold on the puppy will be released. If alternate agreed-upon dates are arranged to accommodate unforeseen events in the future, a new contract will be provided to the buyer listing the new dates.
- All payments, including the deposit are non-refundable, with the only exception being that the puppy should become too sick to be released from the sellers' care or should die prior to the pickup dates. Should this occur, the buyer would have the choice of a monetary refund of all payments made, or the option to choose another puppy, if one is available. Eligible refunds will be processed by the seller within 90 days of the buyers request date.
