

Keeping People Moving

# Book flight

---

- Booking can be performed as normal.
  - Online
  - At a store
  - Or via an app.

# Government Quarantine Requirements

- Current [Queensland](#) quarantine requirements include 14 day quarantine period on arrival.
- Anyone who has travelled to Queensland from overseas will be asked to take a COVID-19 test before the completion of their 14 day quarantine in government arranged accommodation.
- The length of quarantine period on arrival is at the discretion of the relevant authorities.

## 1<sup>st</sup> COVID Test.

---

- VaxVisa generates engagement and responsibility with traveller's through the following process:
  - **Take a first COVID test 5 to 7 days prior to departure.**
  - Take a second test 48 hours prior to departure
  - Take a third test 2 days after arriving at the destination airport.

## VaxVisa app displays result Certificate

---

- Test results are stored in the test centre database and the traveller's wallet as a credential / certificate.
- VaxVisa provides the digital equivalent of the paper credential.
- Relevant authorities may request approval to confirm travellers COVID 19 test results at any time.

## 2<sup>nd</sup> COVID test

VaxVisa generates engagement and responsibility through a second COVID test.

- **Take a second test 48 hours prior to departure.**

# Test Centre Stores COVID Test Results

---

- Testing centre stores the test results on their system and sends a verifiable certificate to the traveller.

# Airport Security

---

Check-in and security are conducted as normal.

COVID 19 safety measures as per relevant authorities apply.

Queensland government COVID safety measures on how to protect yourself and others can be found [here](#).

# Boarding

---

Some airlines may seek to confirm the traveller's COVID test result when showing the boarding pass.

You can prove your COVID test results if required.

# Arrivals

---

On arrival, follow the directions of the relevant local authorities.

Travellers quarantine at destination according to local relevant authority requirements.

## Third COVID test

VaxVisa generates engagement and responsibility through a third COVID test.

- **Take a third test 2 days after arriving at the destination airport.**

Testing centre stores the test results on their system and all three test results will be stored as verifiable certificates on your device.

---

**DAY 10**  
**(4 days of quarantine  
period remains)**

---
