

LETS GET OUT THERE !

Parent Pack October Half Term 2024

1. Drop Off / Pick Up Location

We will be in our usual spot which can be found on google maps by searching 'Alfresco Outdoors LTD' or by tapping the following [link](#).

The site manager will be there to greet you under the gazebo.

If you have any trouble or are running a bit late then please call Max on 07880 787787.

2. What Happens at Drop Off / Pick Up

When children are dropped off the site manager will give the parent a number relating to each child. This is so that if someone else is picking the children up they can tell Max the number(s) as confirmation that they are okay to pick up the children.

This forms part of our safeguarding policy and must be strictly adhered to.

Drop off window: 8am-9am

Pick up window: 5pm-6pm

4. Weather

It's likely to be warm and sunny but, please do keep an eye on the weather for the days you have booked. Although we will be outside as much as possible, there is still a chance of summer storms. In the event of severe weather, we do have ample indoor space at our disposal.

Please equip your children appropriately for the weather.

5. Medication

We can only administer medication that children bring along themselves, including antihistamines and painkillers.

If your child is bringing along emergency medication (e.g. asthma pump) then this can be looked after by either their instructor or the child themselves at the parents' discretion.
