MAAPP Policy	
<p><i>The Center for SafeSport has developed the Minor Athlete Prevention Policies (MAAPP) which USA Judo has adapted to our own sport. The MAAPP is a collection of proactive and training policies comprised of two parts; Education & Training Policy that requires training for certain Adult Participants and the Required Prevention Policies, focused on limiting one-on-one interactions between Adult Participants and Minor Athletes to prevent abuse. The full MAAPP policy and the reporting mechanism for SafeSport infractions can be found at https://www.usajudo.com/safe-sport.</i></p> <p><i>USA Judo defines “regular contact with minors” as: “Ongoing interactions during a 12-month period wherein an Adult Participant is in a role of direct and active engagement with any Minor Athlete(s). In the spirit of the moral code of judo, USA Judo requires adult members to self-certify whether or not they considered having “regular contact” with minors based on the aforementioned description. If an adult member is unsure whether or not they have “regular contact” with minors, USA Judo encourages those individuals (and their clubs) to err on the side of caution and complete the SafeSport Training and Certification. USA Judo, in cooperation with USA Judo Clubs and all LAOs, has the right to randomly review and assess members who may have regular contact with minors and require compliance if/when considered necessary by USA Judo Leadership.</i></p> <p><i>The USA Judo SafeSport Handbook can be found at https://docs.usajudo.net/SafeSport/2023/USA%20Judo%20Safe%20Sport%20Handbook.pdf .</i></p>

RULES for Juniors, Seniors, Veterans

The Championships will be conducted in accordance with the Contest Rules, Organization Code and Sporting Code of the International Judo Federation, as revised for the 2026 US Open Judo Championship. These rules include, but are not limited to draw, weigh-in, length of contests, and competition procedures.

Rules that are specific to the various categories are so indicated; otherwise, the rule applies to all categories. Additional rules for JUNIORS, SENIORS and VETERANS may be listed in those sections of the entry package.

- **Determination of Weight Category:** **JUNIOR, SENIOR AND VETERAN** athletes are asked to make a **preliminary declaration** of weight on the entry form or at check-in/registration. However, the athlete's actual weight at weigh-in will determine their weight division, i.e. the athletes do not have to "make" their declared weight.

Naked weigh-in is no longer allowed for any category. To compensate, 0.1kg will be allowed. For example, in the 66kg category, the limit will be 66.1kg. This is a clothing allowance only and the 0.1kg will only be added to the true weight.

- **Shime-waza rule:** Shime-waza (choking) allowed in Juvenile, Cadet, IJF-Junior, Senior and Veterans categories only. Choking is **NOT ALLOWED** in Junior White-Yellow and White-Yellow-Orange Divisions, Senior Below Brown Belt, Veterans Brown Belt and Below and Veterans F/M-7 through F/M-11 Championship divisions.
- **Kansetsu-waza rule:** Kansetsu-waza (arm locks) allowed in Cadet, IJF-Junior, Senior and Veterans categories only. Arm locks are **NOT ALLOWED** in Junior White-Yellow and White-Yellow-Orange Divisions, Senior Below Brown Belt, Veterans Brown Belt and Below divisions.
- **Injury Rule:** Decisions as to whether an athlete may continue if injured while on the mat, are to be resolved in accordance with IJF rules; such decisions occurring off the mat or not covered by the IJF rules, are to be made by the coach, the athlete, and the Team Doctor. If there is not a unanimous opinion among these three individuals, the athlete **may not** continue (Board-approved October 22, 1998.)
- **Match lengths:**

Bantam-1, Bantam-2, Bantam-3, Intermediate, and Juvenile:	3 minutes
Cadet and IJF Junior:	4 minutes
Seniors:	4 minutes
Veterans: Please refer to Veterans-information area.	
- **Judo-gi requirements:** **IJF judogi Requirements regarding sizing will be enforced for ALL CATEGORIES at this event.** Athletes, coaches and parents should study these requirements at the following link: <https://www.ijf.org/documents> (look for IJF Judogi Rules - 24.04.2023 - ENG (Education And Coaching Commission)).

Appropriate undergarments must be worn by all athletes. Female athletes shall wear under the jacket either, a plain white or off-white tee-shirt, with short sleeves, long enough to be worn inside the trousers, or a plain white or off-white leotard with short sleeves. The white Tee-shirt should be round necked. No marking can be visible when the judogi is done up.

Athlete's needing to change clothes/judo gi should do so in a restroom, locker room or other area specifically designated for changing.

- **MAAPP Policy:** *The Center for SafeSport has developed the Minor Athlete Prevention Policies (MAAPP) which USA Judo has adapted to our own sport. The MAAPP is a collection of proactive and training policies comprised of two parts; Education & Training Policy that requires training for certain Adult Participants and the Required Prevention Policies, focused on limiting one-on-one interactions between Adult Participants and Minor Athletes to prevent abuse. RULES for Juniors, Seniors, Veterans **(CONTINUED)**

- **Judo gi color: In the Intermediate, Juvenile, Cadet, IJF Junior, Senior, and Veteran categories, the blue and white judogi requirement is mandatory.** In all other categories we encourage the wearing of a blue judogi by the “blue” side competitor. However, **Bantam-1 thru 6 can both wear white judogi's. IJF labeled approved gi's are not required, but gi's must meet IJF sizing requirements.** Under no circumstances shall both competitors be allowed to compete in blue gis, nor will the blue and white competitors be allowed to switch positions. The gi jacket and pants must be the same color; no mixing of colors. In all matches where both competitors are wearing white gis, both competitors will remove their grade belts and wear a blue or white belt to identify the contestant's designated color for the match.

COMPETITORS AND THEIR COACHES IN BANTAM-1 through BANTAM-6 CATEGORIES ARE RESPONSIBLE FOR PROVIDING THEIR OWN BLUE AND WHITE BELTS FOR THIS COMPETITION. THIS RULE WILL INSURE THAT THE BELTS FIT PROPERLY. PLEASE MARK YOUR BELTS WITH YOUR NAME OR CLUB.

METHOD OF COMPETITION; JUNIORS, SENIORS, VETERANS

JUNIORS, SENIORS, VETERANS:

1. Categories having five (5) Competitors or less:

Round Robin Pool (every competitor competes against every other competitor). The order of finish is determined by number of wins, then, if tied, by total points (Ippon=10, Wazaari=7, Decision=1). If tied in wins and points, the winner of the head-to-head competition between the two who are still tied determines the winner. If three or more are still tied in wins and points for any place (first, second, or third), those contestants involved must contest again to determine the order of finish.

2. Categories having six (6) competitors or greater:

Modified Double Elimination. Players are divided into two pools, A and B by means of a draw (described above.)

Determination of 1st and 2nd place: The "knockout" (single elimination) system is used to produce two finalists, who will compete for 1st & 2nd place.

Determination of 3rd - 5th place: Championship: All contestants who were defeated before the semifinals will compete in a consolation bracket (referred to as a loser's pool). Athletes will be placed in the loser's pool in a way that attempts to keep those who met in the "winners" pool from meeting again, although depending on the size of the division, this will not always be possible. The losers of the semifinals will fight the last two remaining players in the loser's pool. The winners of those two matches (2) will be placed 3rd; the losers (2) will be placed 5th. Non-Championship and Golden Score: One 3rd place only.

JUNIOR-SPECIFIC INFORMATION

CHAMPIONSHIP information regarding competition in multiple categories and method of awarding points.

- For Bantam, Intermediate, and Juvenile athletes:** Athletes must first compete in their true age/weight division. In addition, the athlete may **CHOOSE** to compete in the next higher weight division/same age and have the bonus option of moving up to the next age category in the nearest weight division based on their true weight.
Examples: An athlete in Bantam 2, 19kg may enter Bantam 2, 23 kg and (or) Bantam 3, 21 kg.
A male athlete in Juvenile 48 kg may enter Juvenile 53kg and (or) Cadet 50kg.
EXCEPTION: If an event is used as an International TRIALS event, athletes will not be allowed to move up to the next age category if that category is a TRIALS category.
Example: A Juvenile cannot move up to Cadet if the event is a TRIALS event for Cadets.
- Entry forms and fees must be submitted for each division.
- Points will be earned in all divisions. Points earned in an older age category will be used for ranking purposes but cannot be used for International Team selection until the athlete becomes old enough to qualify for that age category.
- The Bantam “+” weight and lowest weight may be split into two divisions in the interest of safety. If this is done, only the heaviest weight group will earn points. Tournament Directors reserve the right to disallow moving up in age or weight if they feel it is unsafe because of large differences in weights.
- Cadet athletes** may compete in both **Cadet and IJF Junior categories**. Points earned in Cadet will be applied to Cadet and points earned in IJF Junior will be applied to IJF Junior. Entry forms and fees must be submitted for each division.

Clarification: Junior athletes who earn points earned in the Senior category will have those points applied to their Senior division.

For USA Athletes, points on the USA Judo national rosters will be awarded in accordance with the current USA Judo point system. To receive points on the USA Judo Roster you must be a member of USA Judo prior to the event. Criteria can be found at https://www.usajudo.com/athletes/juniors/national-ranking-rosters-2023#USA_Judo_Point_Roster_Criteria.
